**Tarzan The Invincible - Original Edition** Edgar Rice Burroughs, 2020-11-16 I AM no historian no chronicler of facts and furthermore I hold a very definite conviction that there are certain subjects which fiction writers should leave alone foremost among which are politics and religion However it seems to me not unethical to pirate an idea occasionally from one or the other provided that the subject be handled in such a way as to impart a definite impression of fictionizing Had the story that I am about to tell you broken in the newspapers of two certain European powers it might have precipitated another and a more terrible world war But with that I am not particularly concerned What interests me is that it is a good story that is particularly well adapted to my requirements through the fact that Tarzan of the Apes was intimately connected with many of its most thrilling episodes I am not going to bore you with dry political history so do not tax your intellect needlessly by attempting to decode such fictitious names as I may use in describing certain people and places which it seems to me to the best interest of peace and disarmament should remain incognito *Tarzan the Invincible Annotated* Edgar Rice Burroughs, 2020-09-25 Tarzan the Invincible is a novel by American writer Edgar Rice Burroughs the fourteenth in his series of twenty four books about the title character Tarzan The novel was originally serialized in the magazine Blue Book from October 1930 through April 1931 as Tarzan Guard of the Jungle **Tarzan the Invincible** Edgar Rice Burroughs, 1980-01-12 La was in trouble The high priestess of the Flaming God in the ancient city of Opar forgotten outpost of Atlantis had been betrayed by her people and locked in the eon haunted dungeons until Tarzan came to rescue her La still loved Tarzan but Tarzan had brought her to his people and then left her Now together with a strange woman of Tarzan s kind she lay bound in the tent of an Arab slave trader dreading her certain fate Meanwhile Tarzan was beset by a strange band of

the jungle If there were few who saw the newspaper account of the invasion of Italian Somaliland upon the northeast coast of Africa it is equally a fact that none of you saw a harrowing incident that occurred in the interior some time previous to this affair That it could possibly have any connection whatsoever with European international intrigue or with the fate of nations seems not even remotely possible for it was only a very little monkey fleeing through the tree tops and screaming in terror It was little Nkima and pursuing him was a large rude monkey a much larger monkey than little Nkima
