The War of My Generation David Kieran,2015-08-04 Following the 9 11 attacks approximately four million Americans have turned eighteen each year and more than fifty million children have been born These members of the millennial and post millennial generation have come of age in a moment marked by increased anxiety about terrorism two protracted wars and policies that have raised questions about the United States s role abroad and at home Young people have not been shielded from the attacks or from the wars and policy debates that followed Instead they have been active participants as potential military recruits and organizers for social justice amid anti immigration policies as students in schools learning about the attacks or readers of young adult literature about wars The War of My Generation is the first essay collection to focus specifically on how the terrorist attacks and their aftermath have shaped these new generations of Americans Drawing from a variety of disciplines including anthropology sociology cultural studies and literary studies the essays cover a wide range of topics from graphic war images in the classroom to computer games designed to promote military recruitment to emails from parents in the combat zone The collection considers what cultural factors and products have shaped young people s experience of the 9 11 attacks the wars that have followed and their experiences as emerging citizen subjects in that moment Revealing how young people understand the War on Terror and how adults understand the way young people think The War of My Generation offers groundbreaking research on catastrophic events still fresh in our minds *The Silver Tassie* Sean O'Casey,2014-04-15 Ireland World War One Dashing Harry Heegan leads his football team to victory arriving home in swaggering celebration before he grabs his kit and heads for the trenches A nightmare world awaits the men reduced to cannon fodder speaking in mangled incantations as the casualties stack up Months later Harry returns a cripple at the football club party Everyone but the shattered war veterans dance and forget Peppered with acrid wit and dark vaudeville humour The Silver Tassie Sean O Casey s powerful anti war play of 1928 receives a major revival at the National Theatre in April 2014 Archaeologia, Or, Miscellaneous Tracts Relating to Antiquity ,1917 The New Age Arthur Moore,1928 **Tassie's Journey** Veda Harry Magee,2004-02 Posed in a positive sense WHY ME LORD is a bittersweet tale of back breaking toil from age six counterbalanced with an otherwise joyous fun filled Louisiana bayou youth rampant with wild exploits and extravagant escapades that would make Huck and Tom proud Born to poor devout French Catholic tenant farmers the author unquestionably prefers the classroom over the serfdom of a cruel cotton field A Model A Ford runs over him at age nine and apparently knocks some sense into his hard but broken head He becomes an ardent believer in God and an avid student hoping that education can be his ticket out of the cotton patch Fast forward to 1956 after juggling as many as four jobs simultaneously he graduates from LSU as the Outstanding Male Graduate in Journalism Author co author of over 20

books he takes no credit for his good fortune rather he is forever persuaded that a Greater Hand is conducting the symphony which began with one cheap harmonica All is not paradise slips trips stumbles and stupidity are likewise revealed however in his 50th year of blessed blissful wedlock and 70th year of life failure is no consideration as he relishes the prospect of what lies around the bend over the hill beyond the horizon
