E. TREVELYAN,2017-10-12 Excerpt from The Irish Crisis The time has not yet arrived at which any man can with confidence say that he fully appreciates the nature and the bearings of that great event which will long be inseparably associated with the year just departed Yet we think that we may render some service to the public by attempting thus early to review with the calm temper of a future generation the history of the great Irish famine of 1847 Unless we are much deceived posterity will trace up to that famine the commencement of a salutary revolution in the habits of a nation long singularly unfortunate and will acknowledge that on this as on many other occasions Supreme Wisdom has educated permanent good out of transient evil About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Irish Crisis of 1879-80 Dublin Mansion House Relief Committee,2023-07-18 The Irish Crisis of 1879 80 is a sobering and detailed account of the Great Famine in
