The Jericho Road:

The Jericho Road W. Bion Adkins,2018-10-17 I have lived much that I have not written but I have written nothing that I have not lived and the story of this book is but a plaintive refrain wrung from the over burdened song of my life while the tides of feeling winding down the lines had their sources in as many broken upheavals of my own heart A book like an implement must be judged by its adaptation to its special design however unfit for any other end This volume is designed to help Odd Fellows in their search for the good things in life There is need of something to break the spell of indifference that oftentimes binds us and to open glimpses of better sweeter grander possibilities Hence this volume which is a plea for that great fortune of man his own nature Bulwer says Strive while improving your one talent to enrich your whole capital as a man The present work is designed to aid in securing the result thus recommended We send it forth trusting that it will find its way into the hands of every Odd Fellow and every Odd Fellow s friend and neighbor and that those who read it will gather from its pages lessons which shall enable them to pluck thorns from their pathway and scatter flowers instead

The Jericho Road W. Adkins,2016-12-31 Written in 1899 this work concerns some of the objects purposes and possible futures of the Independent Order of Odd Fellows Add to all this great work the little deeds of love the little acts of kindness that make life beautiful add kind words of cheer and

friendly help and tender consolation and add again the benefit of union the strength that comes from hearts united in God's work among mankind and you have caught a glimpse of the life giving principle that has made Odd Fellowship one of the grandest fraternal and beneficiary institutions the world has ever known The work it has done can not be fully estimated until the record is read in the bright light of eternity In that glad day the tears that have been wiped away will become jewels in somebody's crown and the sobs that have been hushed will be heard again in hosannas of welcome Excerpt from *The Jericho Road* Inflamed appeals and bristling denunciations have gone out against it while great swelling words swollen with hatred bigotry prejudice and superstition have assailed it relentlessly and almost uninterruptedly Mainly these assaults have been met with the terse and pointed invocation Father forgive them they know not what they do **On the Jericho Road** K.
