W., Staff,1995-04 This unique reference provides detailed bibliographic information on over 60 000 in print books published in or about Australia or written by Australian authors There are also details on over 3 000 publishers distributors whose titles are represented as well as information on all trade associations literary awards more **Rethinking Wilderness and the Wild** Robyn Bartel,Marty Branagan,Fiona Utley,Stephen Harris,2020-10-29 Rethinking Wilderness and the Wild Conflict Conservation and Co existence examines the complexities surrounding the concept of wilderness Contemporary wilderness scholarship has tended to fall into two categories the so called fortress conservation and co existence schools of thought This book contending that this polarisation has led to a silencing and concealment of alternative perspectives and lines of enquiry extends beyond these confines and in particular steers away from the dilemmas of paradise or paradox in order to advance an intellectual and policy agenda of plurality and diversity rather than of prescription and definition Drawing on case studies from Australia Aotearoa New Zealand the United States and Iceland and explorations of embodied experience creative practice philosophy and First Nations land management approaches the assembled chapters examine wilderness ideals conflicts and human nature dualities afresh and examine co existence and conservation in the Anthropocene in diverse ontological and multidisciplinary ways By demonstrating a strong commitment to respecting the knowledge and perspectives of Indigenous peoples this work delivers a more nuanced ethical and decolonising approach to issues arising from relationships with wilderness Such a collection is immediately appropriate given the political challenges and social complexities of our time and the mounting threats to life across the globe The abiding and uniting logic of the book is to offer a unique and innovative contribution to engender transformations of wilderness scholarship activism and conservation policy This text refutes the inherent privileging and exclusionary tactics of dominant modes of enquiry that too often serve to silence non human and

contrary positions It reveals a multi faceted and contingent wilderness alive with agency diversity and possibility This book will be of great interest to students and scholars of conservation environmental and natural resource management Indigenous studies and environmental policy and planning It will also be of interest to practitioners policymakers and NGOs involved in conservation protected environments and environmental governance *We Sing Songs for Life* Julie Morsillo,2025-08-28 Life can be hard with extra challenges for those who live in poverty who live in places with no safe haven and who face injustice This handbook provides some insights into practical ways to support those in need offering kindness and compassion whilst advocating for their human rights both in local communities and international communities that are in particular need In addition it gives ways to support the local environment whilst thinking globally so people can preserve a healthy planet for their children and grandchildren Sing songs together working in harmony to support others in need by valuing the lives of all peoples and the life of their common home earth **Publishers Directory** ,1991 **The Complete Book of 1980s Broadway Musicals** Dan Dietz,2016-02-18 For Broadway audiences of the 1980s the decade was perhaps most notable for the so called British invasion While concept musicals such as *Nine* and Stephen Sondheim s *Sunday in the Park with George* continued to be produced several London hits came to New York In addition to shows like *Chess* *Me and My Girl* and *Les Miserables* the decade s most successful composer Andrew Lloyd Webber was also well represented by *Cats* *The Phantom of the Opera* *Song Dance* and *Starlight Express* There were also many revivals such as *Show Boat* and *Gypsy* surprise hits *The Pirates of Penzance* huge hits *42nd Street* and notorious flops *Into the Light* *Carrie* and *Annie 2* Miss Hannigan s *Revenge* In *The Complete Book of 1980s Broadway Musicals* Dan Dietz examines in detail every musical that opened on Broadway during the 1980s In addition to including every hit and flop that debuted during the decade this book highlights revivals and personal appearance revues with such performers as Sid Caesar Barry Manilow Jackie Mason and Shirley MacLaine Each entry includes the following information Opening and closing dates Plot summaries Cast members Number of performances Names of all important personnel including writers composers directors choreographers producers and musical directors Musical numbers and the names of performers who introduced the songs Production data including information about tryouts Source material Critical commentary Tony awards and nominations Details about London and other foreign productions Besides separate entries for each production the book offers numerous appendixes including a discography filmography and published scripts as well as lists of Gilbert and Sullivan operettas black themed shows and Jewish themed productions A treasure trove of information *The Complete Book of 1980s Broadway Musicals* provides readers with a comprehensive view of each show This significant resource will be of use to scholars historians and casual fans of one of the greatest decades in musical theatre history *The Great Jazz and Pop Vocal Albums* Will Friedwald,2017-11-07 The author of the magisterial *A Biographical Guide to the Great Jazz and Pop Singers* now approaches the great singers and their greatest work in an innovative and revelatory way through considering their finest albums which is the format in which this

music was most resonantly organized and presented to its public from the 1940s until the very recent decline of the CD. It is through their albums that Ella Fitzgerald, Frank Sinatra, Peggy Lee, Sarah Vaughan, Nat King Cole, Judy Garland, and the rest of the glorious honor roll of jazz and pop singers have been most tellingly and lastingly appreciated, and the history of the album itself as Will Friedwald sketches it can now be seen as a crucial part of musical history. We come to understand that at their finest, albums have not been mere collections of individual songs strung together arbitrarily but organic phenomena in their own right. A Sinatra album, a Fitzgerald album was planned and structured to show these artists at their best at a specific moment in their artistic careers. Yet the albums Friedwald has chosen to anatomize go about their work in a variety of ways. There are studio and solo albums: Lee's *Black Coffee*, June Christy's *Something Cool*, Cassandra Wilson's *Belly of the Sun*. There are brilliant collaborations, famous ones: Tony Bennett and Bill Evans, Louis Armstrong and Oscar Peterson, and wonderful surprises like Doris Day and Robert Goulet singing *Annie Get Your Gun*. There are theme albums: Dinah Washington singing *Fats Waller*, Maxine Sullivan singing *Andy Razaf*, Margaret Whiting singing *Jerome Kern*, Barb Jungr singing *Bob Dylan*, and the sublime Jo Stafford singing *American and Scottish folk songs*. There are also stunning concert albums like *Ella in Berlin*, *Sarah in Japan*, *Lena at the Waldorf*, and of course *Judy at Carnegie Hall*. All the greats are on hand, from Kay Starr and Carmen McRae to Jimmy Scott and Della Reese. *Della, Della, Cha Cha Cha*. And from out of left field, the astounding *God Bless Tiny Tim*. Each of the fifty-seven albums discussed here captures the artist at a high point, if not at the expected moment of her or his career. The individual cuts are evaluated, the sequencing explicated, the songs and songwriters heralded, anecdotes abound of how songs were born and how artists and producers collaborated. And in appraising each album, Friedwald balances his own opinions with those of musicians, listeners, and critics. A monumental achievement. *The Great Jazz and Pop Vocal Albums* is an essential book for lovers of American jazz and popular music. Spare Rib, 1983
