CHASE TWICHELL

The Snow Watcher

Nathaniel Hawthorne

The Snow Watcher:

The Snow Watcher Chase Twichell, 1998 Reading the poems in *The Snow Watcher* is like breathing cold air they are full of sharp observation both of the world and herself unsentimental poems with a sinewy intellectual toughness *The Washington Post* The Snow Watcher Chase Twichell, 1999 *The Snow Watcher* is a sequence of poems that asks a single obsession question what is the self The book is a radical re envisioning of what makes us human rather than animal human rather than insentient The poems delve into parts of childhood more comfortably forgotten and into the ancient stillness of the monastery Twichell is a student of Zen Buddhism In both realms the known self dissolves or is intentionally dismantled and what is left is something impossible to name though its startling voice can be heard in the austere near empty rooms of these poems
