Things That Divide Us:

Liberty and the American Idea Tom Harriman, 2025-09-28 Is there an American idea a shared understanding of the character and meaning embodied in American history Would you like to think there is or could be What would you like to see accepted or discarded among the values qualities or attributes that contribute to our national character How would you talk about this if you were to consider the question with friends and neighbors This book offers a brief review of the history of ideas and influences that have made the United States what it is followed by a proposal A practical long term strategy for making such dialogue possible among genuinely concerned citizens To pull ourselves out of downward spiraling chaos and degradation we must awaken a positive problem solving spirit which can only be made possible among receptive friends and neighbors You are invited to consider engaging in a meaningful community based dialogue that rises above our differences Hard times are bearing down on us We need dependable neighbors with whom we can think live and work with safely effectively honestly Where do we start Our challenges are severe and our circumstances are in disarray Yet we are not without a foundation of shared principles and values A common truth is to be found in loyal commitment mutual assistance and generosity of spirit

Roberson, 2021-04-21 I wrote this book to share my spiritual journey and the things I believe God has shared with me It has truly freed me and I pray that the things I have shared will help free you as well I must give my wife credit for helping to inspire me to write this book My wife woke me up one morning very wide eyed and excited She said Baby God just gave me the title of your book but you have to write the book This was not the first time my wife as well as a few of my friends with whom I have shared my views had encouraged me to write a book but I laughed it off saying to myself I m not writing a book my spelling is horrible and my punctuation is even worse But thank God for the technology of computers because it helped me with my shortcomings and I finally felt a release that this was my time and season and it allowed me to set my shortcomings aside and share what God has given me to a broader audience Just like nature when we are in tune with God we come into spiritual awareness and insight of our times and seasons I am just an average guy who has allowed Christ to touch my life and change my perspectives concerning how to walk with God and with all my heart I believe this is the time and season for kingdom worship I have experienced worship under religion and I am learning the freedom of kingdom fruit worship which has truly satisfied my spiritual thirst I believe it will satisfy your thirst as well It is truly a well of life with a
