Two Letters To A Peacemaker:

Two Letters to a Peacemaker Adelaide M. McCready,1970 The Peacemaker's Vengeance Gary D. Svee,2014-04-29
In a small Montana town a poor boy gets a chance at being a lawman Mac McPherson shivers beside the open grave taking notes for a newspaper story for which he has been promised twenty five cents When he files his piece the editor gives him only two dimes but Mac is not too proud to take it Only fourteen years old he has his mother to think of and his own hungry belly to feed One night town sheriff Frank Drinkwalter gives Mac a better offer an apprenticeship in riding and shooting that may one day lead to a deputy s star The sheriff will need Mac s help sooner than either of them realizes The devil lies behind the eyes of blacksmith Jack Galt whom Drinkwalter suspects of savagely murdering a series of innocent women But without proof there is nothing Drinkwalter can do but watch and wait When the blacksmith threatens the woman he loves

Drinkwalter has no choice but to call on Mac In Montana a boy must grow up fast if he wants to wear a deputy s star **The Peacemaker and Court of Arbitration** ,1903 **The reformed librerie-keeper, or, Two copies of letters concerning the place and office of a librerie-keeper [with a biogr. sketch by R. S. Granniss].** John Dury,1906 The Beatitudes through the Ages Rebekah Eklund,2021-04-27 The Beatitudes are among the most influential teachings in human history For two millennia they have appeared in poetry and politics and in the thought of mystics and activists as Christians and others have reflected on their meaning and shaped their lives according to the Beatitudes wisdom But what does it mean to be hungry or meek or pure in heart Is poverty a material condition or a spiritual one And what does being blessed entail In this book Rebekah Eklund explores how the Beatitudes have affected readers across differing eras and contexts From Matthew and Luke in the first century to Martin Luther King Jr and Billy Graham in the twentieth Eklund considers how men and women have understood and applied the Beatitudes to their own lives through the ages Reading in the company of past readers helps us see how rich and multifaceted the Beatitudes truly are illuminating what they might mean for us today

Third-Party Peacemakers in Judaism Daniel Roth,2021-04-28 In the race to discover real solutions for the conflicts that plague contemporary society it is essential that we look to precedent Many of today s conflicts involve ethno religious tensions that modern wisdom alone is ill equipped to resolve In Third Party Peacemakers in Judaism Rabbi Dr Daniel Roth asks us to consider ancient religious and traditional cultural solutions to such present day issues Third Party Peacemakers in Judaism presents an array of case studies featuring third party peacemakers found within Jewish rabbinic literature and serves as an inspiration for fostering indigenous practices of third party peacemaking and mediation in the modern era

The Making Of Christian Communities in Late Antiquity and the Middle Ages Mark F. Elites and Byzantium in the Balkans and East-Central Europe Jonathan Shepard,2024-10-28 According to Byzantium s leaders
their imperial order anchored in Constantinople was the centre of excellence spiritual moral material and aesthetic They
rewarded individuals willing to join and favoured outside groupings prepared to cooperate militarily or politically
Interactions with outsiders varied over place and time complicated by the sometimes differing priorities of Byzantine
churchmen and monks on or beyond Byzantium s borders These studies consider the dynamics of such interactions notably
the interrelationship between the Bulgarians and their Byzantine neighbour The Bulgarians reaction to Byzantium ranged
from contrarianism to the systematic adaptation of Byzantine religious orthodoxy ideals of rulership and normative values
after Khan Boris acceptance of eastern Christianity For their part Byzantine rulers were readier to do business with their
Bulgarian counterparts than official pronouncements let on occasionally even adopting aspects of Bulgarian political culture
Byzantium s interrelationship with other ruling elites was less intensive but the process of Christianisation and the need to
format this in readily comprehensible terms could make even distant potentates look to the template of effective Christian
sole rulership which Byzantium s rulers embodied Hungarian and Rus leaders were of abiding geopolitical interest to
imperial statecraft and the studies here show how during the generations around 1000 Byzantine political imagery resonated
