Two Russian Revolutions:

The Two Revolutions Robert Hamilton Bruce Lockhart, 1967 Cuban American family saga set against Castro's 1959 revolution and today *The Two Russian Revolutions of 1917* Vasiliï Ivanovich Alekseev, 1962

The Russian Revolutions of 1917 Kari Aga Myklebost, Jens Petter Nielsen, Andrei Rogatchevski, 2020-04-14 The year 2017 saw a multitude of conferences and exhibitions devoted to the centenary of the Russian Revolutions both in Russia and in other parts of the world The commemoration of this event would be incomplete without an exploration of its Northern dimension in October 2017 UiT The Arctic University of Norway hosted the conference The Russian Revolutions of 1917 The Northern Impact and Beyond Norway and Russia are both northern states and the two countries have a common border in the High North Some articles in this volume based on the conference proceedings investigate the impact of the Russian Revolution in Norway and Sweden while others deal with the High North e.g. the Revolution and Civil War in Northern Russia and the radicalization of the workers movement of Northern Norway some are also devoted to representations of the Russian Revolution at exhibitions and on the big screen *The Russian Revolution and Civil War 1917-1921* Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917-1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state

Events That Changed the Course of History Jessica Piper, 2017-01-23 One hundred years ago on March 8 1917 Russia underwent its first of two revolutions the February Revolution and followed by the Bolshevik Revolution These revolutions would eventually set the stage for the formation of the Soviet Union Learn more about the story of the Russian Revolution and its long term effects on both the country itself and the world at large Follow the path of government corruption economic deflation and food shortages that led the Russian people to rise up in the February Revolution This uprising led to Czar Nicholas II abdicating the throne and ending centuries of imperial rule A few months later Bolsheviks led by Vladimir Lenin took power from the provisional government that had been set up after the February Revolution in what is referred to as the Bolshevik Revolution These two revolutions are collectively known as the Russian Revolution Discover how after the Bolsheviks took power Russia broke out into civil war as the communist Bolsheviks and the anti-Bolshevik White Russians began to clash This war led to the brutal murder of Czar Nicholas and his family as well as the popular rumor that one of Nicholas's daughters Anastasia had actually escaped execution Take a closer
