Vehicule Poets Now:

The Vehicule Poets Now S Morrissey, T Konyes, 2004-04 25 years ago the Montreal poetry scene experienced an unprecedented eruption of activity that resulted in collaborative poems simultaneous readings multimedia performances videopoems poetry on the city's buses English poetry programs on French CBC concrete poems a dozen issues of poetry magazines and more than a dozen books This and more was the result of the individual and collective effort of Endre Farkas Artie Gold Tom Konyves Claudia Cel Lapp Stephen Morrissey John McAuley and Ken Norris who became labelled the Vehicule Poets The Vehicule Poets came together to form the most cohesive poetry movement in Canada since the TISH days of the early 1960s Their work tended toward the fresh and the experimental as they shared a spirit of collectivity and collaboration They were the leading proponents of literary community and poetic experimentation One of the results of this collaborative work was the publication of The Vehicule Poets in 1979 To mark the twenty fifth anniversary of this important book The Muses Company is publishing The Vehicule Poets Now This is not a nostalgic look back but a view of the present The poems in this anthology reveal a still very vibrant and vital body of work These poems continue to push boundaries and test limits

Vehicule Days Ken Norris, 1993 This group of poets who gathered in the mid 70s around the alternative gallery Vehicule Art Inc and the printing operation Vehicule Press was initially interested in gaining access to the means of production But a funny thing happened on the way to print The various poets coalesced into a group feeding off each other's experiences and innovations Inspired by the experimental environment of the gallery the Vehicule Poets worked at the cutting edge of mixed media poetry and video art They took poetry out of the closet and put it on the buses in the parks on the dance floor and in the subway The Vehicule Poets were an irreverent adventurous lot provoking both praise and vitriol from the public and the critics Vehicule Days is an important record of literary and cultural history The collection includes articles essays and interviews as well as a sampling from the works of the Vehicule Poets then and now

CanLit Across Media Jason Camlot, Katherine McLeod, 2019-12-12 The materials we turn to for the construction of our literary pasts the texts performances and discussions selected for storage and cataloguing in archives shape what we know and teach about literature today The ways in which archival materials have been structured into forms of preservation in turn impact their transference and transformation into new forms of presentation and re presentation Exploring the production of culture through and outside of the archives that preserve and produce CanLit as an entity CanLit Across Media asserts that CanLit arises from acts of archival critical and creative analysis Each chapter investigates challenges and provokes this premise by examining methods of unarchiving Canadian and Indigenous literary texts and events from the 1950s to the present Engaging with a remediated archive or unarchiving allows the authors and editors to uncover how the materials that document past acts of literary production are transformed into new forms and experiences in the present The chapters consider literature and literary events that occurred before live audiences or were broadcast and that are now recorded in
