When Love Was Spring:

When Love Was Spring Jerome Miller, 2000-07-24 **The Burning Flame of Love** Jean Maalouf, 2017-08-17 Nothing is neither fuller nor better in heaven and earth Every authentic love story is in its essence a journey toward God and every time we truly love we unveil the face of God because God is love 1 John 4 16 No wonder Thomas Kempis affirmed that nothing is sweeter than love nothing stronger nothing higher nothing wider nothing more pleasant nothing fuller nor better in heaven and earth because love is born of God and cannot rest but in God above all things But if it is so why in the world do we find ourselves very often dissatisfied with our love life and why do we have so many dysfunctional relationships with our families neighbors and others Why do we seem to love to hate each other and make enemies rather than friends not only with individuals and groups but also with other nations as well What is missing from our earthly love What has happened to love To these questions and to many more Dr Maalouf whose focus is one of gentle revolution in human development as leading critics said when describing his prolific works Is suggesting here a different way of seeing the reality of love Although it is based on psychological sociological philosophical and theological principles this adopted way conveys the message through a poetic contemplative and mystical method in the style of Meister Eckhart and St John of the Cross This is not intended to be a comprehensive study on love but a fresh awakening to the existential deeper and richer level of consciousness of the living love for the love of one another John 13 34 is not just a commodity for social arrangement but the evidence of our divine origin and destiny and the critical condition for our very survival Thus a book like this should be read meditatively the way one listens to a great symphony or perceives a masterpiece in an art museum and comprehensively for it is not just the total sum of its paragraphs as a symphony and a painting are not the total sum of their different notes and colors Then wonder of wonders one will realize that there is nothing more mysterious more magical more life changing than love It is indeed the philosopher's stone that converts whatever it touches into a golden reality Then everything will start to make sense for nothing not even all the money in the world can buy the strength and the happiness of a true loving heart **When Love & Culture Collide** Jenny Ripatti, 2010-12 As recent college graduates and childhood best friends Sophie and Sadie start their new chapter of life with a trip to Spain However their girlie vacation quickly turns into a lover's paradise when Sophie lays eyes on a handsome Brit Dylan Now after two years of struggling to settle in comfortably in England Sophie begins to worry whether or not Dylan's love is enough and if their cultural differences will slowly eat away at her and threaten their strong bond Then Dylan pops the question Sophie is quick to put all her worries behind her At their engagement party Sophie finally feels like she is fitting in and England is looking promising But suddenly Dylan breaks off the engagement and before she knows it she is back on a plane headed for America without Dylan or an explanation Distraught and traumatized Sophie struggles to cope with the unexpected breakup and tries to fit back into her own culture instantly realizing that all the things she didn't like about England were exactly what she missed the most Back in the States the fast pace of life and the open

skies seemed to swallow her whole Will Sophie and Sadie get back to where they left off before Spain Or will Sophie and Dylan s strong bond bring them back together The pain threatens to change Sophie forever Could it also threaten any chance of a reunion Through Magic Casements ,1926 **Wagner's Life and Works: Nibelung.
