When Is Jesus Coming Again:

When Will Jesus Return For His People Don Nicely, 2024-02-09
When Will Jesus Return For His People Book 2
When is Jesus actually coming back Jesus warned his followers stay awake for you do not know on what day your Lord is coming So is Jesus coming back soon That is the question that Author Don Nicely answers in this amazing revealing book It s been said that it s been a while since such a simply written book comes out on such a complicated subject Jesus will come back soon However no one knows the exact time when Jesus is coming again Mark 13 32 says But about that day or hour no one knows not even the angels in heaven nor the Son but only the Father Interestingly though the disciples asked Jesus the very same question just before He returned to heaven on that monumental day At that time Jesus told them it was not for them to know the times or seasons which are in the Father s authority Therefore knowing that Jesus may come back tomorrow next month next year or 100 years from now So what does this mean for you and me Always be ready for the second coming of Jesus Christ Watch and focus on Jesus because the devil is seeking to distract mankind from understanding the signs and closeness of Jesus coming There are several questions that we must ask Why is Jesus taking so long to come back How should we live while we wait Author Don Nicely answers these questions and so many more in this amazing book *When Will Jesus Return For His People* Christians should be on guard watching and praying until the day of the Lord The Bible says in Luke 21 34 36 But take heed to yourselves lest your hearts be weighed down with carousing drunkenness and cares of this life and that Day come on you unexpectedly For it will come as a snare on all those who dwell on the face of the whole earth Watch therefore and pray always that you may be counted worthy to escape all these things that will come to pass and to stand before the Son of Man Will the angels come back with Jesus What happens to the righteous at the second coming Are the wicked destroyed by Christ s coming When will we get immortal bodies Why is Jesus coming back Jesus more than anything wants to spend time with you He invites you to return to heaven with Him to enjoy an eternity with no more tears pain or suffering The difficulty in believing Jesus is coming back soon is that 2 000 years have passed since he said he was coming soon and we are still waiting If that is soon it doesn t feel like it This forces us to come to grips with the word soon We tend to think of soon with immediacy Clearly soon to Jesus is different from soon to us The fact that Jesus is coming soon does not mean he is coming tomorrow but he could Jesus coming soon could mean he will return within the next few days the next few years the next few decades or possibly the next few centuries We must deal with the question of him coming soon and be prepared for those who get tired of hearing it This book will guide you in the truths of the word of God that will help you understand the end times and the return of Jesus Get a copy today

This book tells how I represented myself with no law degree to the Supreme Court of the United States to show how there was nothing to prove that I was the person that I was alleged to be It

also tells how everyone kept passing the buck and didn't want to investigate my case or listen to anything that I had to the Supreme Court of the United States. It's all good. The opposing side never gave me a run for my money or challenged anything that I presented to any court. From the Circuit Court of Maryland in Baltimore City to the Supreme Court of the United States.

One day He will return and none of us knows when. Vocal fanatics claim to know the details of the Second Coming causing many Christians to all but ignore the good news that Jesus is coming again. Yet God's own Word commands us to know the signs of the times to remain watchful and to be ready whenever Christ comes. This book is a straightforward in depth exploration of the key biblical texts regarding the Second Coming most notably Christ's longest and most important eschatological message the Olivet Discourse. As you study what the Word of God says about these matters it will stir in your heart an earnest longing for Christ's return as well as a certainty about how to live expectantly until He comes again.
