When Jesus Returns:

The Coming of the Son of Man Jeffrey Horton, 2017-11-06 Behold I stand at the door and knock If anyone hears My voice and opens the door I will come in to him and dine with him and he with Me Rev 3 20 Wouldn't it be great if you could open the door invite Jesus into your home and ask Him when He's coming back All the confusion about the events surrounding Christ's return would vanish as He explains the Scriptures to you You would have your own Emmaus Road journey Like the apostles and first century disciples you could say that He opened the eyes of your understanding That's exactly what this series does by unfolding in an easy to follow manner what God's Word shows us and what Jesus taught Each of the three books focuses on three critical end time revelations that open the door of our understanding surrounding the events of Christ's return The New Testament apostles received these keys from Jesus Himself Over the centuries these revelations were lost or watered down leaving us clustered and even fearful That's not God's will It's time to let the Word speak for itself with a message of comfort hope and victory The Coming of the Son of Man brings you to your final destination literally It shows you what Jesus taught His disciples about the end of this age the rapture and the sign when all these things will be fulfilled The journey will expose the misidentification of key terms that distorted the Church's understanding of Christ's return Along the way Jesus's teaching known as the Olivet Discourse as well as the book of Revelation will become clear No more confusion No more questioning how to prepare Simply the truth of God's plans and purposes *When Jesus Returns* David Pawson, 2021-11-26 In these days of heightened concern about the end times what is really known about Christ's second coming and how can we prepare for it Christians everywhere await Christ's return Will he come to the whole world or just one place Soon and suddenly or after clear signs What can he achieve by coming back here and how long will it take David Pawson brings clarity and insight to these and many other vital issues surrounding the bodily return of Jesus Christ to our world Based on a new approach to the interpretation of the book of Revelation he discusses in detail the controversial and misunderstood subject of the Rapture and uncovers the true significance of the Millennium *When Jesus Returns* Jan Markell, 2024-11-12 The Best Teachings on Bible Prophecy in One Compelling Volume As global unrest and societal shifts intensify Bible prophecy offers us a shining beacon of clarity and hope In a world that is descending deeper into darkness and confusion it's more vital than ever that we understand the times and how God desires for us to live That's the focus of *When Jesus Returns* Drawing on the all time best messages from one of the most popular Bible prophecy conferences in the US this volume features instruction and practical wisdom from today's most respected Bible prophecy experts These teachings will help you gain a clear understanding of how the last days will unfold encourage you to live boldly and faithfully amid the increase of cultural evil and decay inspire you to speak and live in ways that bring Jesus offer of salvation and hope to those in spiritual darkness As these powerful messages stoke your trust in God's glorious plans for the future you will be empowered to live with boldness and readiness like never before Contributors Amir Tsarfati Mark Hitchcock Anne Graham

Aaseng, 1984 [When Will Jesus Return For His People](#) Don Nicely, 2024-02-09 *When Will Jesus Return For His People Book 2* When is Jesus actually coming back Jesus warned his followers stay awake for you do not know on what day your Lord is coming So is Jesus coming back soon That is the question that Author Don Nicely answers in this amazing revealing book It s been said that it s been a while since such a simply written book comes out on such a complicated subject Jesus will come back soon However no one knows the exact time when Jesus is coming again Mark 13 32 says But about that day or hour no one knows not even the angels in heaven nor the Son but only the Father Interestingly though the disciples asked Jesus the very same question just before He returned to heaven on that monumental day At that time Jesus told them it was not for them to know the times or seasons which are in the Father s authority Therefore knowing that Jesus may come back tomorrow next month next year or 100 years from now So what does this mean for you and me Always be ready for the second coming of Jesus Christ Watch and focus on Jesus because the devil is seeking to distract mankind from understanding the signs and closeness of Jesus coming There are several questions that we must ask Why is Jesus taking so long to come back How should we live while we wait Author Don Nicely answers these questions and so many more in this amazing book *When Will Jesus Return For His People* Christians should be on guard watching and praying until the day of the Lord The Bible says in Luke 21 34 36 But take heed to yourselves lest your hearts be weighed down with carousing drunkenness and cares of this life and that Day come on you unexpectedly For it will come as a snare on all those who dwell on the face of the whole earth Watch therefore and pray always that you may be counted worthy to escape all these things that will come to pass and to stand before the Son of Man Will the angels come back with Jesus What happens to the righteous at the second coming Are the wicked destroyed by Christ s coming When will we get immortal bodies Why is Jesus coming back Jesus more than anything wants to spend time with you He invites you to return to heaven with Him to enjoy an eternity with no more tears pain or suffering The difficulty in believing Jesus is coming back soon is that 2 000 years have passed since he said he was coming soon and we are still waiting If that is soon it doesn t feel like it This forces us to come to grips with the word soon We tend to think of soon with immediacy Clearly soon to Jesus is different from soon to us The fact that Jesus is coming soon does not mean he is coming tomorrow but he could Jesus coming soon could mean he will return within the next few days the next few years the next few decades or possibly the next few centuries We must deal with the question of him coming soon and be prepared for those who get tired of hearing it This book will guide you in the truths of the word of God that will help you understand the end times and the return of Jesus Get a copy today **THE APPROACHING APOCALYPSE: What You Should Know About the End Time and the Return of Christ** Robert I. Adams, 2018-12-12 A profoundly decisive change in world history is on the horizon a transition from governance under fallen man to a government from God Himself Jesus Christ is going to return and reign over the world with perfect justice Prophecies in the Bible tell us

that due to the rebellion of man against his Maker the time leading up to the second coming of Christ will be intense In this book you will find answers to these questions What will the last days be like What will happen when Jesus returns What is the rapture and when will it occur How can I prepare for what is coming [Paul's Gospel in Romans](#) Jarvis J. Williams,2026-03-24

In this book Jarvis J Williams argues that Paul s gospel in Romans is the announcement of good news that by Jesus Christ s death and resurrection God has fulfilled all his redemptive promises for Jews Gentiles and the world He further argues that Paul s gospel has at least three dimensions vertical horizontal and cosmic Williams explains that the starting point for Paul s gospel is Christ s cross and resurrection The vertical dimension refers to the saving benefits Jews and Gentiles receive from God through faith in Jesus including justification by faith forgiveness of sins reconciliation with God and the salvation of all the elect within Israel The horizontal aspect relates to individual and relational transformation of those in Christ Through the Spirit God transforms those who have died with Christ to live a righteous life in the power of the resurrection which enables both unity between Jews and Gentiles in Christ and their love for their neighbors The cosmic component relates to the liberation of the entire creation from its slavery to sin s power This liberation includes a bodily resurrection the transformation of the current universe and a future inheritance of a new creation for all Jews and Gentiles whom God has redeemed in Christ This fresh articulation and defense of Pauline theology from an evangelical perspective will be useful for seminary students scholars pastors and study groups [When Jesus Returns](#) J. contains daily Scripture from the Word of God to guide Believers and those who want to have detailed Holy Spirit guidance Each daily Scripture is received from God through the servant of Jesus prayer to Him The servant of Jesus surrenders to Jesus in prayer each day asking Him to utilize the Holy Spirit to meet God and receive the Scripture that God wants His people to read that day The servant of Jesus also asks that Jesus calls the Holy Spirit to send Spirit taught words through the servant that gives Spirit guidance of the very Word of God This prayer and surrender process is done by the servant of Jesus each day so that every single day of Scripture is from God and every single day of guidance to the Word of God is from the Holy Spirit The Word and the guidance of God s Word is not from the servant of Jesus but is delivered through the servant of Jesus This is the work that Jesus has called this servant to do Amen Today s Scripture Guidance is from the very Word of God It is spoken boldly with Spirit taught words The guidance is there each day to help the readers of God s Word understand the mystery of His Word through words delivered by the Holy Spirit Today s Scripture Guidance delivers daily reading and guidance to strengthen your understanding of the Word of God and to guide you through living your life in a way that pleases God This Guidance will help you to truly understand the Word of God Each day the Word was selected by God and the guidance was delivered with Spirit taught Words from the Holy Spirit Hallelujah

What Really Happens When Jesus Returns? Gary Frazier,2007-06-15 What Really Happens When Jesus Returns using the story of a typical American family as a backdrop Dr Frazier walks us through the sequence of events that is in the future for the believer and non believer Through the eyes and experiences of the imaginary Duffer family we see the reality of death eternity spent in heaven or in Hell the Rapture of the Church the Judgment Seat of Christ or the bema the Marriage Supper the Tribulation the Second Coming Armageddon the Millennial Reign of Christ and the Great White Throne Judgment For some of you these are familiar terms while others well you may think I m speaking a foreign language These are all specific events and periods of time that indeed will occur in the future When these events will occur is known only to God The specific dates unfold according to His divine timetable It is this timetable that Gary explains in great detail defining terminology and presenting various theories or schools of thought surrounding the last days as he is uniquely qualified to do In recent years Gary Frazier has virtually lived in the Holy land teaching preaching studying and observing first hand the current issues and happenings in the Middle East and how they relate in biblical prophecies surrounding that land He has a great love and passion for Israel and its people and an unquenchable interest in events past present and future surrounding its history Because of this I believe he has tremendous credibility as a teacher of biblical eschatology
