When Rich Men Die:

When a Man Dies Will He Live Again? Olita Narcisse,2010-11 **What Happens When We Die?** Margarete van den Brink,Hans Stolp,2017-06-21 Is there truly life beyond death What really happens when we die Can the living stay connected with or even help their loved ones who have passed on Answers to these questions have traditionally been sought for in Eastern religions but perhaps surprisingly for some they can also be found within the Christian tradition In fact such knowledge was prevalent in early Christianity but was gradually suppressed and eventually forgotten Turning to hidden esoteric sources that reveal lost meanings within the Bible the Dead Sea Scrolls and other Gnostic texts Hans Stolp and Margarete van den Brink describe the world of light that exists beyond death and the seven steps needed to progress through its realms The authors draw on near death experiences as well as the many profound personal encounters with deceased friends and family members described by people in recent times With this knowledge together with Rudolf Steiner's research they offer answers to the following questions What is the world beyond death really like and what tasks await us there Why is love and wisdom gained in life on earth so important in the afterlife How can the living help or hinder the dead How do the departed themselves help loved ones who are left behind How does the Christ sustain the dead as they review their previous life and prepare for the next This is an extraordinary guide to understanding what happens after death It also offers invaluable advice on staying connected to our loved ones who have passed on From the Four Winds ,1911

When I needed a neighbour were you there? Hennie Lotter,2015-05-16 In the book *When I needed a neighbour were you there Christians and the Challenge of Poverty* I highlight the overwhelming evidence that involvement with poor people and the issues of poverty is a fundamental part of what it means to be Christian The life and teaching of Jesus Christ suggest that all Christians should be seriously concerned about the plight of poor people Why Let me explain Jesus is the foundation of the Christian faith and role model for Christian behaviour in the world In his life on earth he showed deep compassion for all people marginalized by society for the poor for widows children and the sick Many of his stories and actions illustrate the extent to which he prioritized the relief of human suffering in his own ministry The emphasis in the ministry of Jesus on compassion for marginalized people was nothing new in ancient Israel A constant theme in the Old Testament was an imperative to show concern for marginalized people especially widows orphans strangers and poor people As in the New Testament caring for society's vulnerable members was tied to the central religious obligations required of the ancient Israelites I seek to uncover ethical values in the biblical texts that can enrich our understanding of how best to deal with poverty This book is primarily directed at non poor Christians to persuade them to take the plight of poor people more seriously It also aims to present biblical perspectives on poverty that can be empowering to those who personally face the challenges of poverty *The Student's Concordance to the Revised Version, 1881, of the New Testament of Our Lord and Saviour Jesus Christ* ,1882 **The Hereafter** James Fyfe,1890 **Tracts Shekalim and Rosh Hashana, Hebrew and**
