Death in war matters It matters to the individual threatened with their own death or the death of loved ones It matters to groups and communities who have to find ways to manage death to support the bereaved and to dispose of bodies amidst the confusion of conflict It matters to the state which has to find ways of coping with mass death that convey a sense of gratitude and respect for the sacrifice of both the victims of war and those that mourn in their wake This social and cultural history of Britain in the Second World War places death at the heart of our understanding of the British experience of conflict Drawing on a range of material *Dying for the nation* demonstrates just how much death matters in wartime and examines the experience management and memory of death The book will appeal to anyone with an interest in the social and cultural history of Britain in the Second World War

Midrash Hermann Strack,Paul Billerbeck,2023-02-01 Hermann L Strack and Paul Billerbeck s Commentary on the New
Testament from the Talmud and Midrash originally published between 1922 and 1928 is an important reference work on
understanding the New Testament in light of contemporary Jewish thought Originally published as Kommentar zum Neuen
Testament aus Talmud und Midrasch it has been unavailable in English until now This first ever English translation brings
the work to a new audience The commentary walks through each New Testament book verse by verse referencing passages
from the Midrash and the Talmud and showing their relevance for situating the Bible in its cultural background While much
research has been done on Second Temple Judaism since this work nothing has come close to replacing it This is truly an
essential resource for academics students and pastors **WHEN BALANCE DIES, FAITH COLLAPSES** Joseph
Ngoma,2026-03-17 Why do so many sincere believers struggle when life becomes hard Why does faith feel strong in calm
seasons but fragile under pressure Why do people who love God deeply still question Him in times of silence When Balance
Dies Faith Collapses confronts a truth many never see Faith often collapses not because God failed but because balance was
lost In this eye opening and deeply revelatory book Joseph Habimana Ngoma exposes the hidden cause behind spiritual
instability doubt exhaustion and confusion Drawing from biblical truth spiritual insight and real life observation this book
reveals how one sided living whether spiritual or practical creates vulnerability in a world shaped by unseen forces This is
not a book about trying harder or becoming more intense It is a call to alignment Inside these pages you will discover Why
pressure exposes imbalance before it reveals unbelief Why God s silence feels threatening when structure is weak Why effort
without God leads to exhaustion Why confession without discipline leads to illusion Why neutrality is dangerous in a
spiritually contested world How balance restores protection clarity and stability How faith becomes rooted prayer becomes
intimate and life becomes ordered This book challenges the extremes that exhaust believers and replaces them with God s
original design heaven and earth walking together Rooted in the truth of Matthew 6 33 this message reveals that seeking
God s Kingdom first is not about escaping responsibility but about ordering life correctly When Balance Dies Faith Collapses
is for believers who feel spiritually tired Christians confused by silence and delay readers seeking depth clarity and stability
anyone who desires faith that stands firm under pressure This is not a condemnation It is an explanation And more
importantly it is an invitation An invitation to restore balance To realign life with God s design And to discover that when
balance stands faith stands and victory follows *Sea, Forest and Prairie* Charles J. Cameron,1893 **Twelve Romances**
