Six Points Of Tabligh:

Six Points of Tabligh Afzal Hoosen Elias,1994 Tablighi Jamaat and the Quest for the London Mega Mosque Z. Pieri,2015-03-05 The book charts the attempts of Islam's largest missionary movement the Tablighi Jamaat to build Europe's largest mosque in London Key themes include how Islamic movements engage and adapt within liberal democracies and how local contexts are key in understanding how and why movements operate in a given way *Handbook of Islamic Sects and Movements* ,2021-07-15 The Handbook of Islamic Sects and Movements offers a multinational study of Islam its variants influences and neighbouring movements from a multidisciplinary range of scholars These chapters highlight the diversity of Islam especially in its contemporary manifestations as a religion of many communities theologies and ideologies Over five sections on Sunni Shia Sufi fundamentalist and fringe Islamic movements the authors provide historical overviews analyses and in depth studies of large and small Islamic and related groups from all around the world The contents of this volume will be of interest to both newcomers to the study of Islam and established scholars of religion who wish to engage with the dynamic label of Islam and the many impactful movements of the Islamic world *Becoming 'Good Muslim'* Bulbul Siddiqi,2017-11-28 The book uses an ethnographic approach to explore why the Tablighi Jamaat movement remains so successful in contemporary times It shows that this success results from the positive image that it cultivates and the systematic preaching activities of Tablighi Jamaat followers and that the organisation's apolitical image the public profile of the ijtema the humbleness of Tablighi followers and the attraction of belonging to the global Tablighi community all help to create a positive image of the Tablighi Jamaat among ordinary Muslims The book also argues that the Tablighi Jamaat remains successful because of its ability to hold its followers within a Tablighi guided life which is perceived as protection against the Western lifestyle Many elements of contemporary Western lifestyle are considered non Islamic and so by clearly defining what is Islamic and non Islamic in modern society the Tablighi Jamaat provides a way in which Muslims can live in the contemporary world but remain good Muslims **Six Points of Tabligh** Sadruddin 'Amir Ansari,1978 From Islamic Revivalism to Islamic Radicalism in Southeast Asia Kamaruzzaman Bustamam-Ahmad,2015-04-01 This book presents an ethnographic study of the Jam ah Tabl gh in Kuala Lumpur Malaysia and Banda Aceh Indonesia It explores the nature of organised religious practice within this Islamic missionary group and illustrates the situation of faith amongst the members which is coloured by Sufist elements A central focus of the study is an exploration of the situation of faith or religious awareness of members of Jam ah Tabl gh by undertaking a detailed examination of the aims and distinctive practices of the organisation in individual chapters The book develops a pyramid of religious awareness which enables an understanding of the religious experiences of Muslims in terms of three aspects shar ah haq qah reality and ma rifah gnosis The pyramid offers a conceptual model of an internal problematic common to Muslims in relation to their beliefs and the organisation and conduct of their daily lives The book is particularly significant for the insights it provides into how a desire to reinstate an

Islamic caliphate as part of a return to al Qur'an and al Sunnah may be realised in the contemporary period through radical yet non violent means drawing heavily on the mosque based form of government implemented by the Prophet Muhammad in Medina This study will also prove to be useful for studies of other non Islamic religious groups where the religious person is one who submits him or herself to God A further argument of the book is the proposal that the highest level of human being is ins n k mil the perfect man that is one who has utilised his active intelligence
