Rommel's Year of Victory James Sidney Lucas,Kurt Caesar,1998 The German offensive in North Africa coupling the prowess of Rommel The Desert Fox with the superb elan of the German Afrika

Korps is widely regarded as one of the most astonishing military achievements of World War II. Rommel had been sent to Libya in February 1941 to bail out the Italian Army whose short lived invasion of Egypt in the fall of 1940 had been repulsed by the British. His ability to adapt his troops to desert warfare is a textbook example of training and tactics in harsh conditions. German war artist Kurt Caesar traveled with the Afrika Korps and illustrated the campaign with evocative and detailed drawings. Rommel's *Year of Victory* combines these illustrations with a new gripping narrative by James Lucas that captures the day to day life of the German soldier in the desert. James Lucas served as an infantryman in the Tunisian campaign in World War II. He is an acknowledged expert on the German military history of the period as well as a widely published military author.
