Fear struck us then We searched at first laughingly then with stark horror overwhelming us The little island was all too easy to search There were no caves no cliff over which she could have fallen We had seen all the beach and the near by water within a few moments after her disappearance Surely there had not been time for her to swim out and be drowned She was a fair swimmer and cautious for all her youth And even if she had gone back in the water and got into distress we were so close we could have heard at once any call she made But she was gone Vanished No boat had landed that could have taken her That was impossible without our seeing it over that reach of empty sea I recall our frantic search Then at last Drake and I alone frantically rowed back home to tell father It was like a dream of horror Father s white solemn face He never once reproached Drake or me He telephoned the village Then came another trip to the island in a launch with grave faced men But Dianne was never found We brought back her clothes that lay untouched there by the underbrush at the beach I could not look at them but went into my bedroom and lay on the bed and sobbed It was the first tragedy that life had brought me Night had fallen when Drake came to me He leaned over me sympathetically Take it easy kid His own face was white and drawn he loved Dianne as much as I did but he was older more stoical Father wants to see us Frank Get hold of yourself His arm went around my shoulder and I huddled against him Take it easy wash your face and come on down It was about Dianne father had something to tell us We faced him in the living room He closed its doors Sit down lads It may have been in Drake s thoughts certainly it was in mine that now father was about to blame us I had felt those hours sobbing on the bed that somehow I was to blame That incident in the water when I had annoyed Dianne about her hair wild thoughts swept me that I had annoyed her and she had committed suicide I had already told father about it told him in the launch He had listened and waved it away He sat facing us now a slender solemn man of fifty with iron gray hair and thin studious face His eyes behind his big horn rimmed spectacles seemed unnaturally bright but gentle He said Don t look at me like that lads I ve no intention of reproaching you And then he told us in a burst without preface what we had never suspected You were about two years old Frank and you Drake about eight It was the year before your mother died She and I went to Bird s Nest Island leaving you children at home This same island A summer day he said just about like this We went for a picnic just as you did today It was fifteen years ago We were wandering about the little island your mother and I We heard a wailing cry an infant s In a thicket we found a little girl baby Unharmred An infant about a year old who evidently had been asleep and now had awakened and was crying There was no boat in sight about this island

We concluded that some one had been there abandoned the baby and departed We took the baby home No one ever came to claim her It was Dianne [Amazing Tales Volume 73](#) Ray Cummings et al.,2025-01-20 Step into the boundless cosmos with Amazing Tales Volume 73 an electrifying anthology offering an unparalleled expedition This collection is your portal to the furthest reaches of imagination where each story is a star in a galaxy of adventure mystery and interstellar intrigue Prepare to unravel the enigma of Planetoid 150 in the gripping tale Gods of Space where hero Roy Atwood encounters ancient cosmic secrets that could alter the fate of the universe Navigate the luxurious yet perilous corridors of the space liner Seven Stars in Phantom of the Seven Stars as Jim Fanning unearths a chilling conspiracy under the shadow of a phantom pirate Join the fearless warrior maidens in The War Nymphs of Venus as they valiantly defend their home against an overwhelming alien armada Witness Solo Morgan s relentless pursuit of zolonite on Titan in Space Wolf leading him to the discovery of a powerful hidden empire Each narrative whether delving into the perilous asteroid belt in Monster of the Asteroid or confronting the despotic reign of a cosmic overlord in The Star Master offers a fresh lens on interplanetary strife the nuances of human alien relations and the ceaseless quest for self discovery and destiny With its dynamic themes of cosmic adventure speculative warfare and the timeless clash of power versus heroism Amazing Tales Volume 73 is a must read for any aficionado of science fiction and cosmic exploration Embark on this otherworldly journey and let your imagination soar beyond the known universe where each story dares to push beyond the limits of the extraordinary **Beyond the Stars: The Best SF Novels of Ray Cummings** Ray Cummings,2020-02-27 e artnow presents to you this meticulously edited Ray Cummings collection formatted to the highest digital standards and adjusted for readability on all devices The Girl in the Golden Atom Beyond the Vanishing Point Brigands of the Moon Tarrano the Conqueror The Fire People The White Invaders The World Beyond Wandl the Invader *The Publishers Weekly* ,1930 *The Collected Works* Ray Cummings,2020-12-17 Ray Cummings was an American author of science fiction literature and comic books Cummings is identified as one of the founding fathers of the science fiction genre His most highly regarded fictional work was the novel The Girl in the Golden Atom which was a consolidation of a short story by the same name For this novel Cummings combined the idea of Fitz James O Brien s The Diamond Lens with H G Wells s The Time Machine During the 1940s Cummings anonymously scripted comic book stories for Timely Comics the predecessor to Marvel Comics He recycled the plot of The Girl in the Golden Atom **Philippine Teacher** ,1930 [Electrical Experimenter](#) ,1930 **Amazing Stories** ,1926
