The Interrupted Dream:

The Interrupted Dream Tim Dooley, 1985 Tim Dooley's first collection brings together poems written over fourteen years. Their range in theme and style is considerable but together they represent a consistent view of life and a recognizable tone of voice. Born in Cornwall in 1951, Dooley grew up in Bristol and studied English at Oxford. He has taught in schools in and near London and has helped edit various small press poetry magazines. He reviews fiction and poetry for the Times Literary Supplement.

Peony Pavilion Onstage Catherine Swatek, 2022-07-07 After its completion in 1598, the Peony Pavilion began a four hundred year course of transmission and dissemination in China and around the world. Within China, the play's wide popularity propelled its appearance in numerous editions, adaptations, and libretti. Performances ranged from pure singing at private gatherings to full stagings in commercial theaters. As the crown jewel of Kun opera repertoire, Mudan ting has a richly documented history and lends itself to careful study. In the late twentieth century, however, classical Kun opera is on the verge of extinction in China, and creative talent is gravitating to centers outside China's mainland. In 1998, the play was reintroduced to audiences in Europe and North America in various versions, adding new chapters to the story of the work. *Peony Pavilion Onstage* examines Tang Xianzu's classic play from three distinct viewpoints: public literati, playwrights, professional performers of Kun opera, and quite recently, directors and audiences outside China. Catherine Swatek first examines two adaptations of the play by Tang's contemporaries, which point to the unconventionality of the original work. She goes on to explore how the play has been changed in later adaptations, up to its most recent productions by Peter Sellars and Chen Shi Zheng in the United States and Europe. *Peony Pavilion Onstage* is essential reading for scholars and performers of this masterpiece and other great works of Chinese drama.

The Peony Pavilion Xianzu Tang, 2002 A celebrated translation of this masterpiece of Chinese literature in an updated edition.
