

The South

American Historical Association

The South:

Transactions - The South African Institute of Electrical Engineers, 1919 **The South American Journal and Brazil & River Plate Mail** Charles Dunlop, 1922 The South Carolina State Constitution Cole Blease Graham JR., 2011-04-11 South Carolina's current constitution is a unique reflection of America's cultural and political history. It has roots dating back to the state's original colonial charter comprising an uneasy alliance of post-Civil War history, late 19th century return to segregation and post-1960s liberalizing reforms. In *The South Carolina State Constitution* Cole Blease Graham illustrates the success of positive political forces pitted against the social norms of a Deep South state. His informed analysis challenges advocates of constitutional reform to continue revision efforts, making this volume an important contribution to the study of state politics and the principles of democratic government. *The South Carolina State Constitution* provides an outstanding constitutional and historical account of the state's governing charter. In addition to an overview of South Carolina's constitutional history, it provides an in-depth section-by-section analysis of the entire constitution, detailing the many significant changes that have been made since its initial drafting. This treatment, along with a table of cases, index, and bibliography, provides an unsurpassed reference guide for students, scholars, and practitioners of South Carolina's constitution. Previously published by Greenwood, this title has been brought back into circulation by Oxford University Press with new verve. Reprinted with standardization of content organization in order to facilitate research across the series, this title, as with all titles in the series, is set to join the dynamic revision cycle of *The Oxford Commentaries on the State Constitutions of the United States*. *The Oxford Commentaries on the State Constitutions of the United States* is an important series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions. Each volume in this innovative series contains a historical overview of the state's constitutional development, a section-by-section analysis of its current constitution, and a comprehensive guide to further research. Under the expert editorship of Professor G. Alan Tarr, Director of the Center on State Constitutional Studies at Rutgers University, this series provides essential reference tools for understanding state constitutional law. Books in the series can be purchased individually or as part of a complete set, giving readers unmatched access to these important political documents.

Latinalicious Becky Wicks, 2013-12-01 She's lifted the burqa on Dubai and ate preyed and loved Bali. Now Becky Wicks heads to South America for a bit of LATINALICIOUS. In her latest laugh-out-loud travel memoir, intrepid traveller Becky Wicks sets her sights on both the natural and ahem, man-made attractions of South America and discovers that while gauchos aren't always hot, strangely, birdwatchers are. From dodging naked Aussies on Bolivia's Death Road and diving with sea lions in the Galapagos Islands to conquering the Inca trail, just being crushed at the Rio Carnival and having her fake designer bag snatched in a Colombian ghetto, Becky tangos, gallops, bikes, and treks her way through this spectacular continent, offering heaps of handy travel tips and hilarious insights along the way. And experiencing a good few vino tinto hangovers too. PRAISE

FOR BURQALICIOUS A funny easy breezy heartwarming read New Woman PRAISE FOR BALILICIOUS Balilicious made me laugh so hard I almost spilled my Bintang Justin Steinlauf tNt Magazine the real life Bridget Jones hits the road this book is pee your pants funny Sarah Alderson author of Hunting Lila and Losing Lila She s done something amazing convinced me this is a place I should take the time to explore Sassi Sam book blogger Becky wicks at her endearingly honest best

Balilicious comes with Bali belly laughs galore Katie Spain the Adelaide magazine **The Southern Way of Life** Charles Reagan Wilson, 2022-11-30 How does one begin to understand the idea of a distinctive southern way of life a concept as enduring as it is disputed In this examination of the American South in national and global contexts celebrated historian Charles Reagan Wilson assesses how diverse communities of southerners have sought to define the region s identity Surveying three centuries of southern regional consciousness across many genres disciplines and cultural strains Wilson considers and challenges prior presentations of the region advancing a vision of southern culture that has always been plural dynamic and complicated by race and class Structured in three parts The Southern Way of Life takes readers on a journey from the colonial era to the present from when complex ideas of southern civilization rooted in slaveholding and agrarianism dominated to the twenty first century rise of a modern multicultural southern living As Wilson shows there is no singular or essential South but rather a rich tapestry woven with contestations contingencies and change General Nathanael Greene and the American Revolution in the South Gregory D. Massey, Jim Piecuch, 2026-03-26 New insights on General Nathanael Greene and the Southern fight for American independence A major general in the Continental Army during the American Revolution Nathanael Greene has received historical attention as a commander who successfully coordinated the actions of seemingly disparate kinds of soldiers regular Continental troops militia men and partisan guerrillas He has often been acclaimed as the second most important military figure of the Revolution behind George Washington General Nathanael Greene and the American Revolution in the South offers new perspectives on Greene s leadership of Continental troops his use of the mounted troops of South Carolina partisan leaders Thomas Sumter and Francis Marion his integration of local militia into his fighting force and his proposal that slaves be armed and freed in return for their military service During the first five years of the War of Independence Greene served in the North as General George Washington s most trusted subordinate Through successes failures and hard earned experience Greene learned that mobility logistical support and effective civil military relations were crucial components of eighteenth century warfare and especially of a successful revolution He applied these lessons as commander in the Southern Department where he led one of the most startling turnabouts in American military history reversing a rigid British occupation and saving American liberty This collection of essays provides an assessment of the most important period of Greene s military career Editors Gregory D Massey and Jim Piecuch have compiled essays from distinguished scholars and written a joint introduction demonstrating how Greene s actions shaped the war in the South and deepening our understanding of Greene s role in winning American independence
