An anonymous telephone call and a forensic toxicology test however give DCI Lorimer reason to think otherwise. Probing deeper into the life and business of the deceased accountant Duncan Forbes, a seemingly upright member of the community, Lorimer finds only yet more unanswered questions. And when the firm's human resources manager is found dead in her riverside flat, these questions become only more complex, not to mention more disturbing. And Lorimer is having to cope not only with deceptions devised to hide the facts but also with suspicions from those far closer to home.

**Prayer That Works** Jill Briscoe, 2000 Through studying the lives of Elijah and Elisha 1 Kings 17-19 and parts of 2 Kings, readers will be challenged to pray bold prayers rather than settle for meek prayers not offered in deep faith. Readers will learn to cultivate their prayer lives, surrender to God's timing and plan, and persist when prayers seem to go unanswered.

**Each New Day** Ken Nyhusmoen, 2021-07-30 As the world faced the Coronavirus pandemic of 2020, Pastor Ken Nyhusmoen took to his keyboard writing inspiring devotionals to share with the people of Desert Hills Lutheran Church of Green Valley, Arizona, where he was serving as associate pastor. Many receiving these messages were living alone and appreciated the hopeful messages. Often they passed them on to family and friends throughout the nation and the world. Pastor Nyhusmoen now makes these devotionals available to everyone in *Each New Day Meditations During Challenging Times*. **Yesteryear's Faith Seeking Understanding** Philip John Fisk, 2022-06-24 The voices of yesteryear's scholastics are silenced. Scholastic distinctions discarded. Faith seeking understanding cancelled. This book turns to university professors who brought classical medieval Reformation and Renaissance thought to bear on the teaching of the doctrine of providence at the early New England Colleges. Their ultimate purpose was to exonerate God from the charge that he was the author, even actor of evil. Their scholastic method drew from a long and surprisingly ecumenical and philosophical enterprise in the history of the church. This book's aim is to let the scholastic approaches to the mystery of divine providence speak for themselves. Part One introduces the reader to the art of disputation and provides a guided historical theological tour of

scholastic distinctions that were used by doctors of the church to explain issues related to the doctrine of divine providence Part Two invites the reader to follow the author on his journeys to Harvard Yale the College of New Jersey and the College of Rhode Island and Providence Plantations commencement day disputations as he engages in Platonic like dialogues with presidents rectors and students of the New England Colleges While the dialogues are imagined the characters times locations and quoted texts are real *Manage Your Time, Your Work, Yourself* Merrill E.
