## **Think Like A Chef:**

**Think Like a Chef, 25th Anniversary Edition** Tom Colicchio, 2025-10-21 Chef restaurateur and television personality Tom Colicchio celebrates the 25th anniversary of his first cookbook with a stunning anniversary edition featuring a new author's note. A groundbreaking volume when it was first published in 2000, *Think Like a Chef* is the perfect manual for a new generation of culinary professionals and passionate cooks everywhere. In this beloved classic, Tom uses simple steps to deconstruct a chef's creative process, making restaurant-style meals easily accessible to any home cook. *Think Like a Chef* starts with the essential techniques that form the basis of any chef's repertoire: roasting, braising, sautéing, and making stocks and sauces. Tom introduces building block ingredients like roasted tomatoes and braised artichokes and shows how to use them in a variety of ways, from an easy vinaigrette to a caramelized tomato tart. In a section called *Trilogies*, Tom combines three basic ingredients to present several recipes, with one dish that's quick and other dishes that are increasingly more involved. As he says, juxtaposed in interesting ways, these ingredients prove that the whole can be greater than the sum of its parts, and you'll agree once you've tasted the Ragout of Asparagus, Morels, and Ramps or the Baked Free Form Ravioli, both dishes made with the same trilogy of ingredients. The final section of the book offers simple recipes for components like Zucchini with Lemon Thyme to Roasted Endive with Whole Spices to Boulangerie Potatoes, which can be used in endless combinations. Illustrated with glorious photographs, *Think Like a Chef* offers a master class from one of America's most celebrated chefs.

[Think Like a Chef](#) Tom Colicchio, 2007-11-13 With *Think Like a Chef*, Tom Colicchio has created a new kind of cookbook. Rather than list a series of restaurant recipes, he uses simple steps to deconstruct a chef's creative process, making it easily available to any home cook. He starts with techniques: What's roasting, for example, and how do you do it in the oven or on top of the stove? He also gets you comfortable with braising, sautéing, and making stocks and sauces. Next, he introduces simple ingredients: roasted tomatoes, say, or braised artichokes, and tells you how to use them in a variety of ways. So those easy roasted tomatoes may be turned into anything from a vinaigrette to a caramelized tomato tart, with many delicious options in between. In a section called *Trilogies*, Tom takes three ingredients and puts them together to make one dish that's quick and other dishes that are increasingly more involved. As Tom says, juxtaposed in interesting ways, these ingredients prove that the whole can be greater than the sum of their parts, and you'll agree once you've tasted the Ragout of Asparagus, Morels, and Ramps or the Baked Free Form Ravioli, both dishes made with the same trilogy of ingredients. The final section of the book offers simple recipes for components from zucchini with lemon thyme to roasted endive with whole spices to boulangerie potatoes that can be used in endless combinations. Written in Tom's warm and friendly voice and illustrated with glorious photographs of finished dishes, *Think Like a Chef* will bring out the master chef in all of us.
