### **Third Time Lucky:**

*Third Time Lucky* Deborah Cooke,2013-02-01 I always get the math wrong Is the third time the charm Because I can think of three good reasons not to let Nick Sullivan back into my life First I got over my infatuation with him cold turkey So what did he have to offer anyway Mystery Adventure A sexy grin and a killer sense of humor All of the above if I think about it Which I don t Ever Second he had the nerve to come back After fifteen years he shows up looking better than ever for a place to hide with a story about being framed for murder Only problem is there s no corpse As if I d fall for that old line Third I m now old enough to know better and smart enough not to be seduced all over again by the warmth in his eyes I should give him the boot But is it murder And he does need a place to stay This time it s strictly business Nothing personal Just harboring a fugitive For old times sake And just maybe to satisfy my own craving for a little adventure So what does that add up to Third Time Lucky
