The Book of Ezekiel, Chapters 1-24 Daniel I. Block, 1997-08-26 To most modern readers the book of Ezekiel is a mystery Few can handle Ezekiel's relentless denunciations his unconventional antics his repetitive style and his bewildering array of topics This excellent commentary by Daniel I Block makes sense of this obscure and often misunderstood prophet and demonstrates the relevance of Ezekiel's message for the church today

The God Ezekiel Creates, 2015-02-26 This powerful collection of essays focuses on the representation of God in the Book of Ezekiel With topics spanning across projections of God through to the implications of these creations the question of the divine presence in Ezekiel is explored Madhavi Nevader analyses Divine Sovereignty and its relation to creation while Dexter E Callender Jr and Ellen van Wolde route their studies in the image of God as generated by the character of Ezekiel The assumption of the title is then inverted as Stephen L Cook writes on The God that the Temple Blueprint Creates which is taken to its other extreme by Marvin A Sweeney in his chapter on The Ezekiel that God Creates and finds a nice reconciliation in Daniel I Block's chapter The God Ezekiel Wants Us to Meet Finally two essays from Christian biblical scholar Nathan MacDonald and Jewish biblical scholar Rimon Kasher offer a reflection on the essays about Ezekiel and his God
