**Judas and the Twins** Henry Berg,2025-02-12 To question if Jesus really was born in Bethlehem is actually quite common because it is suspected that the early church wanted him to be born in the same town as the legendary King David On the other hand it is quite unusual to doubt that Jesus died in Jerusalem so putting his death to Rome on the Capitoline Hill named after the skull of Tolus is almost pathetic but if art can be defined as something that makes something pathetic less pathetic then maybe that s exactly what this book does It s not to be overlooked that this is a book for people who like to take on a challenge and in that sense this is also a crime novel

*The Adventures of Gabby and Bella* Linda Gustoso,2013-05-15 There is no reason for anyone to be bullied by anyone because of their race beliefs or choices Every person deserves respect in what and how they choose to live It is a personal matter and Bullying is no longer acceptable When children adults are intimidated persecuted and tormented for their beliefs and choices it is time we say Enough This book hopes to convey to children that they do not have to be a victim and to feel free talk to their Mom and Dad or Teacher or any adult they may trust to tell them if they see someone getting bullied including themselves Bullies do not have the right to hit and beat anyone because they may be different or have different beliefs and choices It is not their right to bring down and hurt these victims This book is to educate and convey to children that there is strength in numbers They can suggest a Bully Club for their schools with the safety of their teachers and adults where the child will be anonymous Enough is Enough Bye Bye Bullies Bye Bye We are going to bring you down
