and for the church Pilgrim Practices Discipleship for a Missional Church introduces Christian practices from the Letter of James to help guide Christians and churches in their journey of discipleship This book frames discipleship in a way that has been largely abandoned in modern congregational literature as fundamentally an issue of identity an identity that is necessarily formed and practiced in and with the church community It is a lifestyle that cannot be lived on one s own Discipleship ultimately means engaging with others on a journey of faith sustained and cultivated through certain practices pilgrim practices The practices examined in this book develop and direct the risky pilgrim journey of Christians transforming pilgrims into disciples as the Body of Christ who participate with God in God s mission in the world In this time of transient identities individualist impulses and fleeting commitments this book offers specific practices to help Christians form their identity as disciples and to help Christian communities live their calling as the pilgrim Body of Christ in the world

KRAYBILL,2003 **Creative Intelligence** Franc Ponti Roca, Lucía Langa García,2013-12-05 Many people consider themselves intelligent but not many do the same concerning creativity Those who think themselves creative are very few Why This book discovers the relationship between intelligence and creativity but mostly it presents several practical ways to develop our creativity so we may reinvent ourselves in difficult times You will find 7 strategies to develop your creative intelligence Take time to think Challenge conventionalisms Connect with others Work creatively Understand emotions and transform them into creations Do what you like Learn to collaborate The book also includes a method to manage creativity using the body emotions and language [From Lo-Debar to the King's Table: A journey from an orphan spirit to Sonship](#) Daniel Joseph Petrucci,2024-08-15 From Lo Debar to the King s Table is a truly inspiring and uplifting account of Daniel s life and journey from having an orphan heart to Sonship The book takes you through Daniel s heart wrenching childhood experiences of feeling unloved abandoned lonely alienated and isolated However his resilience and determination to overcome the obstacles that life has dealt him show his unwavering faith and trust in God Daniel s story teaches us that even in the face of adversity we can find strength and hope through our faith in Father God and ultimately that our true identity is only found in Him Do you know who you are Where does your identity lie This book will show you how to find your identity in Christ by seeking His face ending up in His embrace as you become an eternal son or daughter of King Jesus Lisa Clayton founder of Get Them to Jesus Ministries and author of A Map from the Womb to Eternity Do you know who you are Where does your identity lie This book will show you how to find your identity in Christ by seeking His face ending up in His embrace as you become an eternal son or daughter of King Jesus Lisa Clayton founder of Get Them to Jesus Ministries and author of A Map from the Womb to Eternity *Subversive Jesus* Craig Warren Greenfield,2016-04-26 When Jesus left the most exclusive gated community in the universe to come live with the people he loved and gave his life for he turned everything we know and believe about life on its head Jesus said that he came to bring good news to the poor but most Western Christians remain disconnected and isolated from the poor and their contexts of injustice Even our

churches echo society's pressure to isolate ourselves from the margins e.g. by moving to a better suburb and instead teach us how to be nice people who worship a nice Jesus and don't disrupt the status quo. Convinced that Jesus places love for the poor and the pursuit of justice central, Craig Greenfield has sought to follow in Christ's footsteps by living among people at the edges of society for the last fourteen years. His quest to follow this Subversive Jesus has taken Craig and his young family from the slums of Asia to inner city Canada and back again. This is the story of how Jesus led them to the margins, initiating the Pirates of Justice flash mobs, sharing their home with detoxing crackheads, welcoming homeless panhandlers and prostitutes to the dinner table, and ultimately sparking a movement to reach the world's most vulnerable children. This book is a strong and potentially controversial critique of the status quo too often found in our churches, but it offers an inspirational and hopeful vision of another way. While readers may not relocate to a slum, they will certainly come to view their lives and ministry through a fresh lens, reconsidering how they are uniquely called by Jesus to subversively love the poor and break down systems of injustice in their sphere of influence.
