She knew that as a tribal cop it was Nick Black Raven's duty to protect her. And as a man who'd once loved her, it was his debt of honor. Legends of the Afghan Countries, in Verse Charles Masson, James Lewis (traveller in Asia.), 1848

Twilight of the Saints James Grehan, 2016. Twilight of the Saints takes readers to Ottoman Syria and Palestine and offers a new interpretation of the religious history of the region. James Grehan looks past Islam, Christianity, and Judaism and uncovers a common folk religiosity which has largely disappeared in modern times.

Krishna's Other Song Steven J. Rosen, 2010-04-09. Students of religion and Eastern thought will welcome this readable translation and practical commentary on the Uddhava Gita, a Hindu text in which Krishna's teachings introduced in the Bhagavad Gita are extended and nuanced. Krishna's Other Song: A New Look at the Uddhava Gita examines the entire Uddhava Gita in relation to other Hindu scriptures, especially the Bhagavad Gita, and shares its teachings in light of interreligious understanding and nonsectarian spirituality. This edition's elaborate commentary, written by a prominent American scholar of Hindu studies who is also a practitioner, opens up the text's esoteric teaching to a Western audience for the first time, adding context and relevance that make the book accessible and its teachings practicable for a Western readership. A foreword written by prominent Hinduism scholar Charles S. J. White joins the author's own introduction to lay out the Uddhava Gita's background, philosophical dimensions, and religious significance. This edition does not include the original Sanskrit, nor does it labor to translate each word verbatim. Rather, it gives the reader all 1,030 verses in plain English, offering accessible commentary that allows the meaning and relevance of the Uddhava Gita to unfold to one and all.
