The Rhetorical Construction of Vegetarianism Cristina Hanganu-Bresch, 2023-03-02. This book explores themes in the rhetoric of vegetarian discourse. A vegan practice may help mitigate crises such as climate change, global health challenges, and sharpening socioeconomic disparities by ensuring both fairness in the treatment of animals and food justice for marginalized populations. How the message is spread is crucial for these aims. Vegan practices thus uncover tensions between individual dietary choices and social justice activism, between ego and eco, between human and animal, between capitalism and environmentalism, and within the larger universe of theoretical and practical ethics. The chapters apply rhetorical methodologies to understand vegan/vegetarian discourse, emphasizing, for example, vegan/vegetarian rhetoric.

through the lens of polyphony the role of intersectional rhetoric in becoming vegan as well as ecofeminist semiotic and discourse theory approaches to veganism The book aims to show that a rhetorical understanding of vegetarian and vegan discourse is crucial for the goals of movements promoting veganism The book is intended for a wide interdisciplinary audience of scholars researchers and individuals interested in veganism food and media studies rhetorical studies human animal studies cultural studies and related disciplines It urges readers to examine vegan discourses seriously not just as a matter of personal choice or taste but as one vital for intersectional justice and our planetary survival Vegetarian Melting Pot Betty Randle, 2005-08 VEGETARIAN MELTING POT RECIPES MEXICAN ITALIAN JEWISH INDIAN GREEK AMERICAN ASIAN CAJUN By Betty Marcus Randle Vegetarian Melting Pot Recipes contains ethnic recipes that Look good Taste good area Are good for you Are easy to prepare These great life saving dishes are for busy people interested in nutritious food for health The recipes contain no meat or high fat animal products There is no need to count calories You can eat more than usual and normalize your weight There are appetite satisfying dishes with spices like chile cinnamon nutmeg turmeric oregano and ginger Just for fun try them You don t have to be vegetarian to enjoy the food Many of the recipes are suitable for diabetics and all of them are suitable for heart patients obesity athletes young families teachers chefs fibromyalgia people on a budget and singles Contents are listed alphabetically under Appetizers Beverages Bread Breakfast Deserts Main Dishes Salads Sauces Side Dishes and Soups In Spanish we say Panzon lleno corazon contento Full stomach happy heart COMMENTS Betty Marcus Randle s VEGETARIAN MELTING POT is a little gem It is just what the doctor ordered Don t come home without one Dr Charles T Lenton Jr M D Mobile AL My patients thrive when they start with one meal a week from recipes in VEGETARIAN MELTING POT They gradually increase to more of the delicious meals per week Dr J Enrique Gonzalez El Paso TX VEGETARIAN MELTING POT is a wonderful book full of delicious yet simple vegetarian recipes Betty Marcus Randle conveys her vast knowledge about nutrition to others in an easily understandable format I would recommend this book to anyone who is interested in a healthier lifestyle Dr Joyce L Wong Optometrist El Paso TX My patients thrive They start with one complete day a week eating food from recipes in VEGETARIAN MELTING POT and gradually increase to more meals per week They enjoy the Italian Indian American Cajun Jewish Greek and Asian recipes from the book but they like the Mexican recipes best Dr J E Gonzalez El Paso Texas I am preparing for marathon running in Greece by eating the delicious food from recipes in VEGETARIAN MELTING POT I was marathon running in San Francisco San Diego Napa Valley California and Boston Mass Jorge Rodriguez Clinic Administrator Juarez Mexico I m so excited about this recipe book I have friends that are sickly and hardly eat vegetables So I bought a whole bunch of Vegetarian Melting Pot books to give as gifts and I kept one for myself Mrs Claire Buisson El Paso Texas Our family took our taste buds on a journey around the world with Vegetarian Melting Pot We re not vegetarian but we are seriously considering it now Dr and Mrs Victor Casas El Paso Texas **Vegetarian Times** ,1984-08 To do what no other magazine does Deliver simple delicious food plus expert health and
