When Destinies Collide Michael D Brooks,2024-02-05 Before the crew of the Infiltrator became comrades in arms they lived ordinary lives with ordinary hopes and dreams But their lives were turned upside down by war Born on different worlds and brought together by a common cause they become reluctant players in a war that endangers them all And now fate threatens to tear them apart The lives of those they love and everything they hold dear hang in the balance As the war between the Alliance and the Galactic Star Empire rages on Leahcim Markka Cora and their friends find themselves caught in the middle of a struggle that could soon see the demise of the Alliance and the rise of a totalitarian regime ruling the galaxy To protect and preserve their homeworlds they will make difficult choices Will their choices determine whether they become heroes and legends or simply be forgotten And what will the consequences of those choices be Only time will tell All great sagas have a beginning For the crew of the Infiltrator this is theirs

Arcangel I Frank Hill Miranda,2012-09-10 This was a time Before History Before Man knew of the value or meaning Of God First came the Angels It was their world to rule and reign Almost gods themselves In a world That had almost forgotten the Warrior Angel Known as Nathaniel the fourth Arcangel And all the angels were Warriors Elite the perfect creations of God Whether they had evolved as far as they were able Man will never know In their time Heaven had never known dissent or disobedience until Heaven found that day It was the day that man was created in the image of his Creator as well as in the likeness of Angels Man was born to be Innocent of all that was created before him but lesser than the angels man was granted the protection of his angel brothers as teachers and guides from the moment of man s birth Perhaps it was jealousy that created the events that followed that sided angel against angel until Lucifer the greatest of all angels and once the crest of the Arc himself led the revolt against the decision of their Creator His vow was to destroy the very heart of man s purity thereby proving his lesser worth for no

angel shall bow to the wishes of man Even though Man s spirit was blessed to one day stand alongside the very throne of all creation and beside His only Son The Christ This was the time that shaped Man s fate until the time of Man s birth when he would be delivered by the Love of Christ Himself Fore the infant soul of man had been gifted with the very light essence of the Creator Himself It was a gift not considered when the angels themselves were created eons before However this was a new time and a new beginning Man was blessed to be the inheritor of all creation and considered to be of soul and spirit in rebirth to a new age in a new world and more importantly in anew vision a reflection of the Creator Himself so had begun Born without the powers of complete knowledge as his angel brothers man was still given freedom of will to choose for himself his own destiny and therefore too granted the power to procreate and grow within himself to find his own reasons to be
