given his opportunity and didn't he take it well For years he had been in the shadows of Jimmy Cowan not to mention a number of other first choicers but on the world stage Piri stepped up to the mark and won the hearts of a nation He kicked the goals for the All Blacks he kicked for position and in the absence of the incomparable Dan Carter he ran the backline His man of the match performance for the All Blacks in the quarter final against Argentina and then another superb display against arch rivals Australia in the semi final cemented his place in New Zealand rugby folklore This is more than a rugby story though This is a story of a little battler who has struggled with serious injury and fitness for a number of years who has struggled to express himself because of an innate shyness but who finally won over a nation on the greatest sporting stage
