**The Divinity Factor** Donald Hicks,2006 Solve the puzzle of life Find the key to unlock your creativity To tap this power there is nothing to buy or save for nothing to fear you might lose You already have the latent ability to live your dreams today This power is your quintessential essence and your own Divinity It is and will always be within you It can never be taken away Step by step instructions on how to use the 6 Laws of the Universe to create anything you want in your life 1 All things are made of energy 2 Our life force grows whenever we share it with another creature 3 Whatever we believe we are we are 4 All things happen for a reason There are no coincidences 5 All things that harmonize with the Universe can be measured in denominations of three 6 The Law of Just Rewards Unleash your Power with the use of the Divinity Factor **The Divinity School** University of Chicago. realizing this potential He shows that contrary to the present understanding a cell s development involves thirty three phases The work is rooted in the state of the art science of microbiological macrophysical genetics India s ancient cultural metaphysics and a unique energy quantification of the dynamic benefits and costs of everything It is a part of a series of twelve books that traverses through an understanding of the present reality that can be applied to one s personal life and for societal impact It offers an unusual integration which the beta readers report as never seen anything like this before and overwhelming because of its originality technicality and comprehensiveness Dr Vipin Gupta has a Ph D in managerial science and applied economics from the Wharton School of the University of Pennsylvania He is a gold medalist from the Post graduate Program of the Indian Institute of Management Ahmedabad India He is a Professor of sensible management and appropriate science at the Jack H Brown College of Business and Public Administration California State University San Bernardino USA
