Chronicles - Chronicle of Eks (and a little more mystery) Chronicles - Chronicle of Eks (and a little mystery),2026-03-15 Although this book a chronicle does not record the chronological sequence of events and is fiction it nevertheless tells the story of the intertwined destinies of people living in Eks Here are the first four stories What will happen if the mayor decides that he wants to have a building in the city a green landmark That s what story number one is about The second story is about a chronicler who has her dream but misfortune does not take long to come The third story is mysterious It is a story in which the main heroine is Cornelian Stone A story with a touch of horror and household cleaning Here a cleaning agent appears and disappears which without her wanting it entangles Cornelian Stone s everyday life in discoveries and mystical horrors And in the fourth story we set off on a journey And how it ends that s for the reader to read So unravel with humor and imagination search and lose yourself in dreams and discover the city of Eks A Blindfellows Chronicle Auriel Roe,2017-08-01 At midday on 31st August Sedgewick the new history master arrives at Blindfellows former charity school for poor blind boys now a second division private school for anyone who can pay The naive newcomer is quickly taken under the wing of the rumbustious philandering Japes master of physics who soon becomes something of a mentor though not in an academic sense A Blindfellows Chronicle follows the adventures of Sedgewick Japes and a handful of other unmarried faculty at an obscure West Country boarding school including the closeted headmaster Reverend Hareton stalwart Matron Ridgeway and loathsome librarian Fairchild *Athenaeum and Literary Chronicle* ,1890 **Chronicle 2023** Andrew Woodmaker,2015-03-01 A humorous suggestion leads to a gruesome discovery In this tenth year s worth of entries from a diary stored on a futuristic recording device found after a house fire Andrew Woodmaker investigates the patterns of a serial killer and ponders a life changing decision In 2023 Middle Eastern tensions spread as the Americans become involved in the conflict On Mercury the Russian mission makes a surprising discovery while the British Skylon finally attempts its first mission into space Andrew Woodmaker is persuaded to begin a new investigation but at work his hopes are dashed as an important job goes to someone else Nobody knows if this is a work of fiction or a true record of how things happened and will happen By reading the diary some things may have already begun to change and the future is not what it was But it could be that this is how it would have been **The Creighton Chronicle** ,1921 **Manslaughter. A Chronicle** Alfred Owen Legge,1876 *UNDER THE SKIN: A Chronicle of Healing in the Age of Digital Loneliness* Max Lanski,101-01-01 What

happens when a perfectly rational man falls into a story he cannot calculate Max believes in logic structure and clear equations His life is built like an architectural drawing precise predictable safe Then a message from Brazil appears in his work chat Alma arrives from the other side of the world bringing warmth chaos and a way of seeing beauty where others see only grey November rain What begins as a simple cultural exchange slowly turns into something far more complicated a connection that grows across continents messages and unspoken emotions But in the age of digital communication intimacy can become illusion And sometimes the most dangerous place to get lost is inside your own projections UNDER THE SKIN is a literary novel about love born in the digital age emotional projection and self deception loneliness hidden behind constant connection the quiet process of psychological healing Told with subtle irony and sharp psychological insight the novel follows a man who must cross three continents and confront himself to understand what truly happened Because the hardest journey is not toward another person It is toward the truth beneath your own skin
