Sufficiency Of Scripture:

The Sufficiency of Scripture: Basic Issues and Points of Contention Noel Weeks, 2023-09-05 Even though Scripture is the cornerstone of the Christian faith there is much confusion on the doctrine of Scripture This has led to its inspiration and authority becoming an area of debate Here in this comprehensive study the late Dr Noel Weeks brought his multi disciplinary learning to bear on the question of the sufficiency of Scripture Older distinctions between fundamentalist and modernist evangelical and liberal have become obsolete as more subtle distinctions have emerged in the debate about the Bible In view of this The Sufficiency of Scripture deals with such diverse issues as revelation translation creation prophecy and the role of women in the church Dr Weeks provides careful analysis of the biblical teaching in these areas giving depth criticism of much of the superficial and false thinking expressed in some contemporary discussions of these questions The Sufficiency of Scripture combines unusually wide learning with radical criticism Thorough in its approach and instructive in its handling of material it is deeply provocative and provides a unique contribution to the modern debate on the Bible Noel Weeks contentions cannot be ignored by Christians who take seriously their commitment to the Bible as the word of God

Reclaiming the Sufficiency of Scripture Rob Rienow, 2012 Christians share a commitment to the inerrancy of Scripture but have we slipped on our commitment and understanding of sufficiency We believe the Bible is true but do we believe it is enough for every matter of faith and practice Rob Rienow allows us to reexamine this vital doctrine and understand the foundation it sets for all future ministry This book asks the reader to go beyond the knowledge of the authority of God s Word and let it shape and determine how ministry is carried out in the life of the church Rienow gives a concise explanation of the sufficiency of Scripture He also goes beyond that foundation to examine how it impacts all of ministry Discover not only what God is calling you to do but how He wants you to do it The Sufficiency of Scripture Kayode Crown, 2025-09-07 This book lays out the case for the Sufficiency of Scripture arguing that it is enough to define the life and practice of Christians and the church It pushes back against both subtle and blatant violations of this tenet including Tradition Imagination Divination Emotion Revelations and Visions TIDER Join the author as he explains Passages that prohibit adding to or removing from God s word Scripture has a special quality that sets it apart from anything else that has ever been written or will ever be written The need for humility so that we can separate our biases from the truth There are consequences for either adding to or removing from God s word How Jesus and Paul argued for the Sufficiency of Scripture How the devil is the enemy of the Sufficiency of Scripture and humans willingly cooperate with him for different reasons How The Scriptures as a fixed set of documents is a shared body of agreed reference that defines the contours of truth and not the preacher s charisma or eloquence Holding to the Sufficiency of Scripture one day doesn t mean the preacher will always do so hence the call for carefulness Why it s wrong to pit one passage of Scripture against another That humans have been building up reasonings apart from and against the light of God s truth for centuries Take the journey to deepen your understanding and appreciation

The contributors to this volume inhabit the land between two streams Pentecostal and charismatic theology and analytic theology While this imagery might bring up images of fruitfulness productivity and fertile grounds the fruitfulness of this particular interfluvium has been left largely unconsidered or has been plainly dismissed The aim of this volume is to plant a tree which might begin to yield fruit in this otherwise barren space It is the conviction of the editors that these two streams have a lot to offer each other and indeed we have found fourteen contributors occupying the space between As a first installment that we hope inspires further work we seek a conversation in which Pentecostal and charismatic traditions which have sometimes eschewed the academy and its trappings can learn from analytic theology's commitment to clarity rigor and precision and analytic theology which can be at times dry and abstract can be renewed by the life in the Spirit which marks Pentecostal and charismatic worship The contributors of this volume do this by bringing to bear the tools of analytic theology on issues of methodology key doctrines and practices and spirituality planting the seed that will fertilize the land between the streams
