Values Based Approach:

Values in Heritage Management Erica Avrami, Susan Macdonald, Randall Mason, David Myers, 2019-12-03 Bringing together leading conservation scholars and professionals from around the world this volume offers a timely look at values based approaches to heritage management Over the last fifty years conservation professionals have confronted increasingly complex political economic and cultural dynamics This volume with contributions by leading international practitioners and scholars reviews how values based methods have come to influence conservation takes stock of emerging approaches to values in heritage practice and policy identifies common challenges and related spheres of knowledge and proposes specific areas in which the development of new approaches and future research may help advance the field The free online edition of this open access book is available at www.getty.edu/publications/heritagemanagement and includes zoomable illustrations Also available are free PDF EPUB and Kindle MOBI downloads of the book [Agency, Freedom and Choice](#) Constanze Binder, 2019-03-29 In this book Binder shows that at the heart of the most prominent arguments in favour of value neutral approaches to overall freedom lies the value freedom has for human agency and development Far from leading to the adoption of a value neutral approach however ascribing importance to freedom's agency value requires one to adopt a refined value based approach Binder employs an axiomatic framework in order to develop such an approach She shows that a focus on freedom's agency value has far reaching consequences for existing results in the freedom ranking literature it requires one to move beyond a person's given all things considered preferences to the values underlying a person's preference formation Furthermore it requires as Binder argues one to account only for those differences between choice options which really matter to people Binder illustrates the implications of her analysis for the evaluation of public policy and human development with the capability approach only if sufficient importance is ascribed to freedom's agency value can the capability approach keep its promises *Responding to the Threat of Violent Extremism* Paul Thomas, 2012-09-13 Home grown terrorism was responsible for the 7 7 London bombings and a number of subsequent plots Using empirical evidence this book highlights the misguided and ineffective efforts of the UK government to prevent violent extremism particularly amongst young Muslims and proposes alternative policy approaches to combat terrorism **Corruption Prevention and Governance in Hong Kong** Ian Scott, Ting Gong, 2018-12-07 This book analyses central questions in the continuing debate about success factors in corruption prevention and the efficacy and value of anti corruption agencies ACAs How do ACAs become valued within a polity What challenges must they overcome What conditions account for their success and failure What contributions can corruption prevention make to good governance And in what areas might they have little or no effect on the quality of governance With these questions in mind the authors examine the experience of Hong Kong's Independent Commission Against Corruption ICAC widely regarded as one of the few successful examples of an ACA The book is grounded in an analysis of ICAC documents and surveys the authors survey of social attitudes towards corruption in Hong Kong and

interviews with former officials **Literature and Science as Modes of Expression** G.F. Leneaux, V.N. Vagliente,
Social Determinants of Health in Europe Adrian Bonner, 2024-12-18 Drawing on the perspectives of women and children displaced from Ukraine as well as local authority policy makers and service providers this book provides a unique view of the direct and indirect consequences of war in Europe Part of the Social Determinants of Health series this book reviews the socioeconomic challenges faced by the UK and other European countries and suggests ways that these wicked issues should be addressed It is essential reading for local authorities national governments and humanitarian organisations **OECD Public Governance Reviews OECD Integrity Review of Mexico Taking a Stronger Stance Against Corruption** OECD, 2017-03-30 This report applies the 2017 Recommendation of the Council on Public Integrity assessing Mexico's evolving public integrity system the extent to which new reforms cultivate a culture of integrity across the public sector and the effectiveness of increasingly stringent accountability mechanisms The Organization Family Gary L. Bowen, Dennis Orthner, 1989-08-22 A penetrating analysis of the changing and interacting worlds of work and family life in the U S military this volume extends the concept of the organization man to focus on the organization family Based on the most recent literature and research on work and family dynamics in the military services today the contributors examine such issues as the special problems of dual career couples and single parents the challenge of rebuilding military communities and the influence of family factors on the workplace Taken together their essays advance our understanding of the nature and dynamics of the work family interface This work also presents some significant policy implications for military leadership and family life professionals interested in forging a more productive partnership between the military organization and the military family The book is divided into three major sections each of which addresses a key aspect of work and family life work and family linkages the problems of special population groups and the organizational response to family level issues in the workplace Each chapter provides a theoretical and or historical perspective on the topic under study as well as presenting the latest empirical research in the area Throughout the contributors draw relevant comparisons between the military and civilian employment sectors making the book invaluable for advanced students of military and family sociology contemporary family patterns and issues and public policy The Principals Thomas J. Sergiovanni, 2006 0205457231 Sergiovanni The Principals 5e The Principals focuses on how school leadership is based on reflective practice and moral authority This book continues to emphasize school culture standards building community and providing a moral basis for leadership as a means of navigating through contextual issues and constraints that principals routinely face This edition aims to inform future principals about the decisions they will make about their practice and how those decisions will affect students and teachers Extensively updated with new emphasis given to diversity as a part of community building school character as an important ingredient in school effectiveness new definitions of school effectiveness and a new view of the process of change The book's trademark emphasis on reflective practice is maintained and opportunities for reflection are

provided throughout the book The link between organizational character and school effectiveness is explored and emphasis is given to how organizational character can be established and maintained
