Trinity Evidence And Issues:

The Trinity Robert A. Morey, 1996 The most thorough examination and study of the Trinity available today This book discusses in detail all the controversy heresy and theological issues that surround and have surrounded this heated debate over the centuries The author Dr Morey is an internationally recognized scholar and the executive director of the Research and Education Foundation He is the author of 29 books including *How to Answer a Jehovah s Witness and Reincarnation and Christianity* **The Trinity : evidences and issues** Robert A. Morey, 1996 **The Trinity** Dr Robert A Morey, 1996-09 The definitive classic on the Triune nature of God It is the most significant work on the Trinity in one hundred years FCC Record United States. Federal Communications Commission, 1995 **The Bible, Natural Theology and Natural Law: Conflict Or Compromise?** Robert A. Morey, 2010-05 Dr Robert Morey s study of natural law and natural theology raises important questions that every Bible believer will want answered His careful study and explanation of various Bible passages will yield a useful orientation to the classic arguments furnished us by the Reformers and their faithful heirs Dr Nelson Kloosterman The present volume presents a devastating critique of natural theology and natural law Its argument is solidly biblical and its accumulation of biblical data is overwhelming I hope that God prospers it so that many will read it and take heed Dr John Frame A W Tozer said the most important thing about any person is what comes into their mind when they think of the word God If you digest Dr Morey s book you will think of God as the glorious One depicted in Holy Scripture John G Reisinger I appreciate Dr Morey s emphasis on making the Bible alone the theoretical basis for science and the arts All throughout the book he consistently points to the Scriptures as the basis for sustaining everything else Dr Simon Kistemaker *The Trinity* Dr Robert a. Morey, 2015-06-24 What is unique about this Trinity Book Dr Morey clearly documents in his Trinity book that God is multi personal and that this was taught in the Old Testament Intertestamental Jewish writings and the literature of the Early Church Unintimidated by the tide of human thought in contemporary philosophy ethics and even liberal theology Dr Robert A Morey builds a theoretically sound intellectually compelling and biblically based case for the Trinity within the context of those issues that will dominate twenty first century thought From the unique vantage point as a professional researcher of those issues which affect the Christian Church and its role in Western culture Dr Morey brings a perspective to his study of the triune God that makes this a work of unparalleled significance to all who desire to understand and positively impact the world in which we live Carefully documented scholarship combined with a straight forward and journalistic writing style make this a serious work that can and should be read by every thinking contemporary Christian A beacon of sanity A foundation of certainty A timely and compelling reexamination of the biblical reality of God and his absolute character in light of a twenty first century society awash in meaningless relativism Dr Robert A Morey is internationally respected as one of the best theologians and apologists in the 21st Century He is the author of over 60 books Dr Morey s educational background includes Classical Greek as well as Koine Greek Hebrew philosophy Jewish and Rabbinic

writings such as the Midrash Mishnah Talmuds Dead Sea Scrolls and Apocalyptic literature Dr Gleason Archer professor at Fuller Theological Seminary and Trinity Divinity School reviewed Dr Morey s book on the Trinity as the best work on the Trinity ever written Dr Morey has discovered new evidence from The Dead Sea Scrolls on the deity of Messiah and the triune nature of God Dr Robert A Morey Ph D D Min D D Faith Defenders <http://faithdefenders.com> *A Commentary on the Law of Evidence in Civil Issues* Francis Wharton,1877 **California.
