Architects for the New Millennium, 2000 A celebration of architecture from around the world profiling today's leading firms The top one hundred firms *The British National Bibliography* Arthur James Wells, 2003 The Architects' Journal, 2004-07 **Scotland**, 2008 *Scotland* David M. Munro, Bruce M. Gittings, Royal Scottish Geographical Society, 2006 This is the first comprehensive guide to Scotland since the 19th century produced on behalf of the Royal Scottish Geographical Society It is remarkable that in this age of information there is no up to date guide to the places of Scotland That situation is about to be remedied with the publication of *Scotland An Encyclopedia of Places and Landscape* edited by Dr David Munro Director of the Royal Scottish Geographical Society and Bruce Gittings of the University of Edinburgh This authoritative comprehensive gazetteer will include over 8 500 entries on cities towns and villages mountains lochs and rivers visitor attractions and monuments throughout the nation Each entry places its subject in an appropriate historical geological or environmental context providing essential information of interest to a wide range of potential users The book starts with an introductory essay on the Landscapes of Scotland There is also an extensive glossary of terms including Gaelic words incorporated into many place names and a detailed bibliography Street plans are provided for over 100 main towns and cities as are maps of each administrative area spread throughout the book There is a fully indexed full colour atlas providing a wealth of extra cartographic information *Nationality and Planning in Scotland and Wales* Roderick Macdonald (Lecturer), Huw Thomas, 1997 This study looks at the ways in which the planning problems and approaches of Scotland and Wales are sometimes similar to and sometimes very different from each other and evaluates some central elements of planning and economic development urban and rural in the two countries **Avery Index to Architectural Periodicals. 2d Ed., Rev. and Enl** Avery Library, 1993 Scottish Architecture, 2000-2002 Stuart Wyllie MacDonald, 2003 **In Scotland**, 1999 **Scotland** Michelin Travel Publications (Firm), Michelin, 2000 A useful travel companion to Scotland offering suggestions on what to see and what to do background on history and cultural heritage **New Architecture in Britain** Ken Powell, 2003 Architects increasingly operate on a global scene and just as numerous British architects have proved highly successful at winning projects abroad so architects from Europe the United States and the Far East are making their mark in Britain One thinks for example of Daniel Libeskind's Imperial War Museum and Tadao

Ando's new square and pavilion project both in Manchester or of Frank Gehry's Cancer Care Centre in Dundee Well known British practices such as Future Systems Alsop Architects and Nicholas Grimshaw Partners also inevitably feature prominently in the exciting international story of the country's recent architectural renaissance but so too do newer smaller practices including many based outside the capital This book engagingly describes and illustrates over 100 outstanding projects both large and small floor around Britain none completed earlier than 2001 and some still under construction or at planning stage Covering every conceivable building type from houses offices and department stores to theatres heritage sites and museums this book makes a forceful contribution to the continuing debate about the role of architecture in forging a new environment and underpinning the growth of a healthy society
