**Shakespeare's Women and the Fin de Siècle** Sophie Duncan, 2016-12-01 Shakespeare's Women and the Fin de Siècle illuminates the most iconoclastic performances of Shakespeare's heroines in late Victorian theatre through the celebrity commentary and wider careers of the actresses who played them By bringing together fin de siècle performances of Shakespeare and contemporary Victorian drama for the first time this book illuminates the vital ways in which fin de siècle Shakespeare and contemporary Victorian theatre culture conditioned each other Actresses' movements between Shakespeare and fin de siècle roles reveal the collisions and unexpected consonances between apparently independent areas of the fin de siècle repertory Performances including Ellen Terry's Lady Macbeth Madge Kendal's Rosalind and Lillie Langtry's Cleopatra illuminate fin de siècle Shakespeare's lively intersections with cultural phenomena including the Jack the Ripper killings Aestheticism the suicide craze and the rise of metropolitan department stores If as previous studies have shown Shakespeare was everywhere in Victorian culture Sophie Duncan explores the surprising ways in which late Victorian culture from Dracula to pornography and from Ruskin to the suffragettes inflected Shakespeare Via a wealth of unpublished archival material Duncan reveals women's creative networks at the fin de siècle and how Shakespearean performance traditions moved between actresses via little studied performance genealogies At the same time controversial new stage business made fin de siècle Shakespeare as much a crucible for debates over gender roles and sexuality as plays by Ibsen and Shaw

Increasingly actresses creative networks encompassed suffragist activists who took personal inspiration from star Shakespearean actresses From a Salome esque Juliet to a feminist Paulina fin de si cle actresses created cultural legacies which Shakespeare in performance still negotiates today *Ellen Terry and Her Sisters* Thomas Edgar Pemberton,1902 I know that to the majority of people who merely regard the theatre as a place for occasional recreation it is a subject for amazement that others can exist who not belonging to the theatrical profession take an absorbing and lasting interest in the stage and in those actors and actresses who have made its past history glorious as well as in the artists who adorn and make it a delight in the present I wonder how many of us truly realise the weight of Charles Dickens s words If any man were to tell me that he denied his acknowledgments to the stage I would simply put to him one question whether he remembered his first play Not only freely but with gratitude I acknowledge my indebtedness to the theatre and it is certain that from that magic night when for the first time I saw the glitter of the footlights and watched the rise of the curtain I entered upon a new and most fascinating life Of course I was called stage struck and those who controlled me shook their heads thought it a great pity and did their best to thwart my inclinations Wild Truth Bible Lessons-Dares from Jesus Jeannie Oestreicher,2010-05-11 Weekly studies to reinforce what junior highers are learning from their Wild Truth Journal These Bible lessons send students straight to the words of Jesus to discover the truth then dare them to live that truth today Includes games activities sketches handouts and reproducible worksheets **Passion Flower** Kathleen Thompson Norris,1930 *Ellen Terry, Player in Her Time* Nina Auerbach,1997-01-29 Nina Auerbach brilliantly reveals the Ellen Terry whose roles on stage and off embodied everything that a rapidly changing world exhorted women to be **The Seekers** Stanley Waterloo,1900 *The Bookman* ,1902 **Players Magazine** ,1945 The Review of Reviews William Thomas Stead,1906 **Look to the Lady** Russ McDonald,2005 McDonald also discerns parallels and distinctions in the approaches of Siddons Terry and Dench to the vocation of acting specifically to Lady Macbeth and other great Shakespearean roles Look to the Lady also helps us to better understand the place and function of the theater in British national life and what constitutes great acting at various historical moments Throughout McDonald blends learned commentary on the history and culture of the stage with entertaining details about the appearance personality genealogy and private life of each actor Including some rarely seen images and drawing on previously untapped reviews and anecdotes this is a lively introduction to the burgeoning field of performance criticism BOOK JACKET **Books of the Month** ,1962 **Ellen Terry** Roger Manvell,1968 *Ellen Terry* Joy Melville,2006 A lavishly illustrated biography about Victorian actress no competing title *Kiteman* Alfred Reynolds,1986-09 Banished from his homeland for cowardice Karl uses his kiteman glider to fly across the endless desert where he faces unkind odds against surviving and ultimately reaches a new land which contains perils of its own *Arizona Historical Review* ,1931 Literary Britain Frank Vigor Morley,1983 **Nestucca** David C.
