Truth as Always Held and Promulgated by the Religious Society of Friends and Against the Departures From the Principles of
the Society Which Have Appeared of Latter Time When the Society of Friends first appeared and the preaching of George
Fox was first heard it was a time of great departure from primitive simplicity and purity in the professed Christian Church as
much so perhaps as any be fore or since It was a day when corruption in the profession of religion and apostasy from true
Christian doctrine and practice prevailed when the Spiritual character of the Gospel dispensation of our Lord and Saviour
Jesus Christ appeared to be much lost sight of and denied and the nominal profes sion of Christianity consisted of outward
forms and rules and divers rites and ceremonies and bodily performances into which the people were led by a hired and
mercenary priest hood who fed themselves and not the ock making a trade of religion perverting the truths of the gospel and
teaching men to believe their carnal construction and explanation of the doctrines Of Christianity They preached a faith
which allowed and embraced many of the evil practices and sins of the heathen world expounding the doctrines of the New
Tes tament to admit of professed Christians being engaged in war slavery the use of oaths a hireling ministry and many other
practices which were rejected and denied by the early Chris tians and which are opposed to the Spirit and plain teaching of
the faith 1 once delivered unto the saints About the Publisher Forgotten Books publishes hundreds of thousands of rare and
