

# Top Creative Thinking Skills

## Analytical

Before we can think creatively about something, we must first understand it.

## Planning skills

Once the creative solution is found, organisation comes back into the picture, helping to ensure that the set goal is achieved.

## Problem solving

Finding the right solutions to a specific problem.

## Communication

People will only appreciate our creative idea or solution if we can communicate it effectively.

## Open-minded

Thinking creatively means putting aside any assumptions or prejudices we have and looking at things in a completely new way.
