The Heath Readers D. C. Heath And Company,2018-01-19 Excerpt from The Heath Readers Third Reader The poetry for this grade has been selected with care for what is childlike and at the same time of high literary merit The Great Ones of the past wrote chie y for the adult mind with small account of childish taste and capacity But here and there gleam precious bits golden bright which the little ones of all time will eagerly seize and cherish The Third Reader has endeavored to remember this in its selections The fairy tales and folk lore included have the merit of novelty as well as fascination many of the selections never having appeared before in a reading book It has been the aim to provide interesting material full of action and upon subjects children like and from the child s point of view There has been no effort to preach or to force a moral but bright and lovely ideals have been presented in a cheerful and natural way All material has been graded with unusual care to avoid sudden and extreme leaps from that which is easy to that which is difficult Acknowledgment is due to those whose helpful aid has made the Third Reader what it is About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The American School Readers Kate Forrest Oswell,2017-10-24 Excerpt from The American School Readers Third Reader The subject matter has four chief elements folklore and fairy story historical stories nature stories and poems The folklore and fairy stories are full of interest to children they have humor and are decidedly ethical The offensive stories of wicked relatives are omitted as being immoral in their tendency In their place are tales of enterprise and of common life which have become classics and which tend to elevate the minds and characters of children Historical stories are valuable at this age because while children are interested in fairy tales they are also interested in real people and this interest should be fostered in the school readers so we have stories of Washington of Lincoln of Charlemagne and of other historical characters all by standard authors About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
