Integration Theory and Social Science **The Routledge Handbook of Gender and EU Politics** Gabriele Abels, Andrea Krizsán, Heather MacRae, Anna van der Vleuten, 2021-03-17 This Handbook maps the expanding field of gender and EU politics giving an overview of the fundamentals and new directions of the sub discipline and serving as a reference book for gender scholars and students at different levels interested in the EU In investigating the gendered nature of European integration and gender relations in the EU as a political system it summarizes and assesses the research on gender and the EU to this point in time identifies existing research gaps in gender and EU studies and addresses directions for future research Distinguished contributors from the US the UK and continental Europe and from across disciplines from political science sociology economics and law expertly inform about gender approaches and summarize the state of the art in gender and EU studies The Routledge Handbook of Gender and EU Politics provides an essential and authoritative source of information for students scholars and researchers in EU studies politics gender studies politics political theory comparative politics international relations political and gender sociology political economy European and legal studies law

Harmonizing Foreign Policy Mesut Özcan, 2008 Focusing on issues related to EU integration this study examines the formation of a common foreign policy in general and a common policy towards the Middle East in particular It also investigates decision making in Turkish foreign policy and foreign policy towards the Middle East before and after EU candidature

European Approaches to International Relations Theory Jörg Friedrichs, 2004-03 Jorg Friedrich presents an important new introduction to the existence and relevance of European approaches to IR theory and sets an agenda for the progressive development of a Eurodiscipline of IR studies

A European Space Policy Thomas Hoerber, Sarah Lieberman, 2019-05-10 This book builds a bridge between current research in space policy and contemporary European political studies by addressing developments in European space policy and its significance for European integration It answers questions central to European studies applying them to the burgeoning field of EU space policy and takes an interdisciplinary approach examining space policy in the light of a range of policy areas including common foreign security policy technology policy transport policy and internal market Using a theoretical framework based around notions of neo institutionalism to evaluate the evolving nature of space policy in Europe the book provides clear insights into the development of the sector and the resulting developments made to the European political landscape This text will be of key interest to scholars and students of Space policy EU studies politics European Studies Politics International Relations Political Science History Economics and Security Studies

Neofunctionalism Vs Liberal Intergovernmentalism Ilyas Saliba, 2010-08 Seminar paper from the year 2010 in the subject Politics Political Theory and the History of Ideas Journal grade 1 0 University of Hamburg Institute of Political Science course European Integration Theories language English abstract Neofunctionalism and Liberal Intergovernmentalism from now on I will use the abbreviations NF and LIG in this paper have been predominant approaches to theorizing Integration processes especially in the first phase of theorizing

European Integration In the following essay I will begin by briefly lay out the main assumptions of the two approaches drawing especially on their differences and similarities In a second part I will discuss what these theories set out to do and raise questions about the actual accomplishments Thirdly I will turn to a critique of LIG and NF identifying their weaknesses referring to Thomas Risse s argument that Liberal Intergovernmentalism and Neofunctionalism are both lacking some categories necessary to capture distinctive features of the EU 2 This will lead me to the fourth part of my analysis in which I will demonstrate what and how other approaches can fill in the theoretical gaps and wholes that I have pointed out in my critique In My conclusion I argue that European Integration Theory does not need overarching universal theories but rather is a useful conglomerate of different theories³ that might be combined in eclectically and offer various toolkits for different suitable areas and levels of analysing and explaining Integration
