Financial Evolution Eric J. Morin, 2020-04-28 WHY AREN'T YOU WEALTHY YET As the founder and CEO of Tower Leadership, Eric J. Morin has helped thousands of entrepreneurs transform their businesses, consultancies, and practices into passive income streams. That work has given him an unprecedented understanding of wealth: what it is and how to get it. Now Morin is putting his discoveries in print, offering paradigm-shifting insight into the rat race we're all running and the prize that sits beyond the finish line. With direct clarity and unbridled passion, Morin takes us through the five stages of wealth development. He discusses fallacies around salaries, the wrench in retirement planning, the virtues and dangers of risky acquisitions, and the strategies that we can implement in order to seize back control of our lives, to stabilize our finances, make our time our own, and fill our futures with meaning. Ultimately, what we have here is more than a book about finance or business. It's a book about life and how to live it.
