Wednesday's Wrath Don Pendleton,2014-12-16 For twenty four hours the Executioner will turn New Mexico into hell on earth After dozens of battles and an untold body count Mack Bolan thought his one man war against the Mafia was coming to an end He planned a final week of mop up work clearing out mob infestations wherever they were the thickest before joining up with the US government and leaving his old life behind But as any exterminator knows some pests are harder to get rid of than others and the Mafia is tougher than any cockroach Bolan is on his way to Texas when he is forced to make a detour in New Mexico to take out a sadistic doctor who has been performing gruesome experiments on disloyal Mafia soldiers In the high desert country near Santa Fe he discovers a mob plot that rivals anything he s ever seen The war for the American underworld is about to reach an atomic level of destruction Wednesday s Wrath is the 35th book in the Executioner series but you may enjoy reading the series in any order

**Terrible Tuesday** Don Pendleton,2014-12-16 The Executioner descends on California to destroy the West Coast syndicate once and for all Yesterday Mack Bolan was in Louisville dismantling the midwestern crime syndicate drop by bloody drop The next stop on his six day rampage is California where ambitious gangsters have pooled their resources to form a last ditch coalition known as the California Concept The Executioner arrives on Tuesday His intent is to have destroyed the criminal empire by Wednesday Bolan starts his battle by rescuing the daughter of a midlevel boss and using her father s influence to get close to the local mob The criminal syndicate of California is far healthier than he realized and its leaders are on the verge of pioneering a high tech brand of organized crime that could upend life across the United States It would take the police years to unravel this conspiracy but Bolan has no time to waste The killing starts now Terrible Tuesday is the 34th book in the Executioner series but you may enjoy reading the series in any order
