These messages range from abortion to the New Age movement to Pastors who have misled the flock. They reveal things to come, things that now are, and things that should not be. From hope to love to doom to a new beginning, herein lies a broad range of insight from a whole new perspective. The prophecies are simple and straight forward, written from a first-hand perspective. They fly in the face of orthodox tradition and are a thorn in the side to everyone who has already made up his mind and heart on how the end is to come and who God is.
