War Child:

War Child Emmanuel Jal,2009-02-03 This extraordinary memoir tells the true story of a former child soldier who survived and escaped a violent life to become Africa's number one hip hop artist and an international ambassador for children in war-torn countries

War Child's Love Song, War and Children Kendra E. Dupuy, Krijn Peters,2009-11-19 A comprehensive up-to-date presentation of how children and young people are affected by and respond to situations of armed conflict and postwar reconstruction

War and Children A Reference Handbook looks at one of the most wrenching aspects of armed conflict ranging across the globe to examine the different ways armed conflict and postwar reconstructions affect children and young people and how they have responded to both war and efforts to alleviate war's destruction

While war has always affected children the nature of that impact has changed in the last half century Civil conflicts break out in mostly poor developing countries with large populations of young people and combatants are less hesitant to turn civilian areas into battlegrounds

War and Children explores these phenomena by focusing primarily on recent conflicts worldwide with case studies dramatizing important issues and controversies including the considerable number of children soldiers throughout the world

Guitar War Child Hero Martin Avery,2010-08-29 An issue-oriented contemporary story exploring a universal theme with a compelling unified plot and strong sympathetic protagonists well researched dealing with important historical subjects

Steven Spielberg's Children Linda Ruth Williams,2025-08-12 Why has Steven Spielberg's work been so often identified with childhood and children How does the director elicit such complex performances from his young actors

Steven Spielberg's Children is the first book to investigate children childhood and Spielberg's employment of child actors together and in depth Through a series of lively readings of both the celebrated performances he elicits from his young stars in films such as E.T. The Extra Terrestrial A.I. Artificial Intelligence and Empire of the Sun as well as less discussed roles in films such as War of the Worlds The BFG and Jurassic Park this book shows children to be key players in the director's articulation of childhood since the 1970s

Steven Spielberg's Children presents children and childhood in some surprising ways not only analyzing boyhood and girlhood according to Spielberg but considering children as alien adult children who refuse to grow up and children who aren't even human It discusses the way in which children have served to cast Spielberg as a sentimentalist but also how they are more frequently framed as complex cruel and canny

The child might be dangled as bait in an exploitation horror scenario Jaws might become the image of universal higher beings Close Encounters of the Third Kind or might be a young cultural creator like the director was himself

The Fabelmans born with a camera glued to his eye The child on both sides of the camera is a resonant image signifying all that adult culture wants it to be yet resisting this through authorship of their own stories

The book also looks at Spielberg's young actors in the long history of child stars in theater and cinema and how Spielberg's children have fared as performers and celebrities

SQL Server MVP Deep Dives Paul S. Randal, Kimberly Tripp, Adam Machanic, Paul Nielsen,2009-10-31 This is not an ordinary SQL

Server Book SQL Server MVP Deep Dives brings together the world's most highly regarded SQL Server experts to create a masterful collection of tips, techniques, and experience-driven best practices for SQL Server development and administration. These SQL Server MVPs, 53 in all, each selected a topic of great interest to them, and in this unique book they share their knowledge and passion with you. SQL Server MVP Deep Dives is organized into five parts: Design and Architecture, Development, Administration, Performance Tuning and Optimization, and Business Intelligence. Within each part, you'll find a collection of brilliantly concise and focused chapters that take on key topics like mobile data strategies, Dynamic Management Views, or query performance. The range of subjects covered is comprehensive, from database design tips to data profiling strategies for BI. Additionally, the authors of this book have generously donated 100% of their royalties to support War Child International. War Child International is a network of independent organizations working across the world to help children affected by war. War Child was founded upon a fundamental goal to advance the cause of peace through investing hope in the lives of children caught up in the horrors of war. War Child works in many different conflict areas around the world, helping hundreds of thousands of children every year. Visit www.warchild.org for more information. Purchase of the print book comes with an offer of a free PDF, ePub, and Kindle eBook from Manning. Also available is all code from the book.

Diary of a War Child Gertrud Schakat Tammen, 2001. Our government ordered women and children to get out NOW. Papa Onkel Max and Onkel Richard had to stay to fight the Russians. We made plans. The next morning we loaded the wagon with hay and bags for four aunts, six cousins, and Oma. Oma and Mama climbed inside. Tante Ida clucked to her horses. The wagon lurched forward. The rest of us pulled scarves over our frozen noses and trudged through the snow beside the wagon. The road was cramped with wagons full of people, hand-pulled carts, and even bicycles. The wind pinched every nose and pierced every eye. We walked for about four weeks before we came to Stolp. Mama, Eva, and I took any train we could. Oma and the others kept the wagon. They'd keep going west on the icy roads, looking for homes in the bombed-out towns. Nobody said it. But we knew we might never see one another again.
