Are You "The PRIZE" or Just a Consolation Gift? Linda Fields, 2022-09-07 Which one are you The PRIZE or consolation gift The title of this book Are You The PRIZE or Just a Consolation Gift has profoundly captured your attention Though it has stirred your interest because even without you knowing how to formulate the question you wanted to know the answer Nonetheless the answer is just as diverse as you are with all your various life experiences up to this point Although both exist in this world the one which is valueless is more prevalent in this world of deception than the other Consequently the one more useful to GOD in doing HIS GOOD WORK in the earth is least esteemed by those of the world Therefore the one devalued by the world is extraordinarily precious because GOD by HIS SON WHO is HIS WORD of TRUTH made all of HIS daughters divinely invaluable While both exist this book is written to the woman who knows she s a prize but she s unable to explain in intricate details why Yet it s also written to the woman who unbeknownst to her has been trained to be a consolation gift since she didn t know and has never been told that GOD divinely made her to be a PRIZE And lastly but more importantly this book is written to provide every single GOD made woman with invaluable nuggets of wisdom on precisely who GOD MADE her to be in HIS VERY GOOD in CHRIST So if you ve said Yes that s me to either of these categories this book is written to you If not please don t read any further put the book down and never read it or buy it

The Essential W. Carl Ketcherside B. D. Lewis, 2025-03-13 An overview of the life and controversial teachings of W Carl Ketcherside 1908 1989 as reflected in his journal Mission Messenger and the numerous books he published over the years Much of what Ketcherside wrote can be

found in the writings of the fathers of the Stone Campbell restoration movement from which this book quotes extensively in support of his position It is significant to note that division among Christians in early nineteenth century America arose from differences in doctrinal deductions or interpretations as expressed in various creeds The Campbells proposed that such deductions referred to as opinions should never be used as tests of Christian fellowship In the twentieth century division among Churches of Christ was and continues to be caused by differences in doctrinal interpretations as found in the various journals and other publications of each group Ketcherside argued that such doctrines should never be used as tests of Christian fellowship He based his position on scriptural premises set forth in numerous books and essays Additionally he cited the fathers of the Stone Campbell Movement as evidence that Churches of Christ had abandoned the principles of restoration and reverted to the divisiveness of early nineteenth century creedalism The shift in how Churches of Christ view doctrinal differences began in 1889 with the proclamation and publication of the Sand Creek Illinois Declaration by Daniel Sommer which he titled An Address and Declaration reversing the title of Thomas Campbell s Declaration and Address of 1809 This is a pre publication copy of The Essential W Carl Ketcherside The Ketcherside Collection of supporting documents referenced in the book has not yet been set up by the site administrator However documents referred to in the book as part of that collection may be found on Archive org listed individually by title
