Where Hope Lives:

After Trauma Ali W. Rothrock, 2022-04-12 From a young age Ali Rothrock fell head over heels in love with firefighting. But when she entered the fire service she was ostracized by those who weren't willing to accept a girl into their ranks. Constant microaggressions, overt sexism, and instances of sexual violence wore her down until she no longer believed she could safely exist in the world. The trauma of her experiences eventually resulted in a diagnosis of post-traumatic stress disorder, and that diagnosis was a first step toward healing. In the years since, Ali has worked as a domestic violence and sexual assault counselor, an advocate for abused children, an inspirational speaker, and a crisis counselor for first responders. On her journey of recovery, she has collected other people's stories of resilience. *After Trauma* explores the fallout from trauma, the ripples those experiences have on our lives, and finally a path toward healing. *After Trauma* is a story of adversity, grit, defiance, choice, and hope. Each chapter offers a lesson to help readers overcome their own trauma, including concrete and actionable advice on how to re-story a life after adversity. We all have the ability to re-define ourselves, to feel hope about what lies ahead, and to choose our own way forward. **McClure's Magazine**, 1908 Works Robert Louis Stevenson, 1920

Where's My Crown for Acting Like Everything Is Fine? Kerstin Lindquist, 2020-07-21 Making it through the tough waiting periods that string together can leave us feeling anything but fabulous. But oh, queen, you are! Four-time Emmy Award-winning journalist and TV host Kerstin Lindquist helps us break out of our most painful waiting rooms by delivering raw truth. When did making women friends become so hard? Attainable, faith. For two excruciating, sweat-inducing minutes, I publicly prayed a prayer so disjointed I can't even recreate the sounds it was that bad and real-life humor. My text read: Just realized I'm naked in my kitchen making myself a martini. Through the pages, Kerstin shares her own stories with the honesty of your best friend. She explains what has worked for real, overwhelmed, under-supported women just like you who are living through unbearable waits, unemployment, illness, infertility, death, even seasons of joylessness that seem to never end. You will learn how to manage all the little waits that come daily, the ones that make you feel like you're missing out on your life. *Where's My Crown* offers tangible advice and actionable steps for coping through each season, including: How to improve your prayer life, How to break free from lack of sleep, What foods can help you get and stay fit for this period of struggle, The two categories of exercise that are essential for thriving, How to find the elusive tribe we're supposed to have but can't seem to locate, How to pick the right therapist, How serving others can get you out of this waiting period faster. *Where's My Crown* considers that those waiting rooms of life that we so dread are full of gifts we're just too frustrated to find. Maybe you aren't getting out because there is something inside you're meant to discover, a person, a place, a situation that will change your life or theirs for the better. You just need to take a break from trying so hard to find the door. Joy Is an Inside Job Amanda Gore, 2014-03 You've just picked up the book that can transform your life joyfully.
