Where Jesus Walked Video:

Walking Where Jesus Walked Hillary Kaell, 2014-07-04 Since the 1950s millions of American Christians have traveled to the Holy Land to visit places in Israel and the Palestinian territories associated with Jesus's life and death. Why do these pilgrims choose to journey halfway around the world? How do they react to what they encounter and how do they understand the trip upon return? This book places the answers to these questions into the context of broad historical trends, analyzing how the growth of mass market evangelical and Catholic pilgrimage relates to changes in American Christian theology and culture over the last sixty years, including shifts in Jewish-Christian relations, the growth of small group spirituality, and the development of a Christian leisure industry. Drawing on five years of research with pilgrims before, during, and after their trips, *Walking Where Jesus Walked* offers a lived religion approach that explores the trip's hybrid nature for pilgrims themselves, both ordinary, tied to their everyday role as the family's ritual specialists, and extraordinary, since they leave home in a dramatic way, often for the first time. Their experiences illuminate key tensions in contemporary US Christianity between material evidence and transcendent divinity, commoditization and religious authority, domestic relationships and global experience. Hillary Kaell crafts the first in-depth study of the cultural and religious significance of American Holy Land pilgrimage after 1948. The result sheds light on how Christian pilgrims, especially women, make sense of their experience in Israel/Palestine, offering an important complement to top-down approaches in studies of Christian Zionism and foreign policy.

Bowker's Complete Video Directory, 2000 *Where Jesus Walked [videorecording]*, 1995 An all-Israeli cast recreates and brings to life the story behind the great moments in the journey of Christ at sites where the Bible says they occurred. *Where Jesus Walked*, 2006 Photographs of Israeli and Palestinian landscapes and other sites complemented by inspirational quotes. **Variety's Complete Home Video Directory**, 1988 *Rap and Religion* Ebony A. Utley, 2012-06-11 This book provides an enlightening representative account of how rappers talk about God in their lyrics and why a sense of religion plays an intrinsic role within hip-hop culture. Why is the battle between good and evil a recurring theme in rap lyrics? What role does the devil play in hip-hop? What exactly does it mean when rappers wear a diamond-encrusted Jesus around their necks? Why do rappers acknowledge God during award shows and frequently include prayers in their albums? *Rap and Religion: Understanding the Gangsta's God* tackles a sensitive and controversial topic: the juxtaposition and seeming hypocrisy of references to God within hip-hop culture and rap music. This book provides a focused examination of the intersection of God and religion with hip-hop and rap music. Author Ebony A. Utley, PhD, references selected rap lyrics and videos that span three decades of mainstream hip-hop culture in America, representing the East Coast, the West Coast, and the South, in order to account for how and why rappers talk about God. Utley also describes the complex urban environments that birthed rap music and sources interviews, award acceptance speeches, magazine and website content, and liner notes to further explain how God became entrenched in hip-hop. **Video Source Book**, 2006 A guide to programs currently

available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction **The Video Source Book** David J.
