

Virgin Science

"Homo sapien sapien" timidly invokes Latin and Greek as part of a careful nomenclature

Thinks actually progressing our understanding makes a difference

Only properly developed in the last 400 years

Known for tedious lectures and hours of torturous work in a sealed lab

"The 2p orbital hybridizes with the" shut up bro no one cares

Narrow minded focus on the material world, dismisses that which he can't perceive to be meaningless

Carefully demonstrates the mathematical proof of an equation, cites all his sources

Chad Philosophy

Hasn't definitively settled a single argument in 3000 years, still just as eager to be known

"Cogito, ergo sum" invokes dead languages whenever the fuck he pleases

Has existed since before written history, the original study of truth

Belles out ethical truths from on high, his only source is divine inspiration

Traverses the material, spiritual and ethical planes of being all at once in big meaty steps

Known for moving quandaries and passionate indulgence in the pleasures of the flesh

Mighty speeches and colloquies move listeners and reader for centuries

The Last Effort of Dreams Francesco Loriggio, 2007-11-16 When Pier Giorgio Di Cicco first appeared on the Canadian literary scene in the early 1980s he was immediately recognized as one of the most compelling voices of his generation The Last Effort of Dreams is the first critical collection on Pier Giorgio Di Cicco and traces the steps of his career from different perspectives The contributors fellow poets and academics alike ponder Di Cicco's poetry in diverse ways through reminiscence by taking stock and by focusing on individual texts and specific themes What emerges is an intriguing composite picture of Di Cicco's complex and unique identity The volume includes both scholarly analysis and testimonials by individuals who lived the literary history of which Di Cicco is a part The inclusion of a bibliography of Di Cicco's publications and of those about him makes this book a valuable tool for anyone approaching his works for the first time and anyone interested in contemporary North American minority literatures or contemporary Canadian literature
