

POSSIBLE VS IMPOSSIBLE

**"IT ALWAYS SEEMS IMPOSSIBLE UNTIL IT IS DONE."
NELSON MANDELA.**

The Cricket World Cup, personal success, or organization reaching new heights in business are all examples of what can seem possible or impossible.

Breaking through the barriers of our limiting thoughts and self-fulfilling prophecies often becomes the real challenge. Look at your own life—don't you see clearly that you have experienced moments in your personal journey where something you never thought possible came to be?

The battle is not out there; the battle is in your head, in your mind. Challenge the status quo, and you will soar to new heights. Limited thoughts will produce limited results.
